

Dr. BC Roy College of Pharmacy and AHS has been highly active in carrying out various outreach activities since many years. In the AY 2019-20, the institute has been associated with several social activities such as spreading awareness of women's rights and gender equality, cleanliness drive program and tree plantation program.

On 2nd August, 2019 a program on awareness of women's rights and gender equality in the society was conducted by ITC Vivel, under the tagline "Ab Samjhauta Nahin" with resource person, Ms. Avni Bhatia of Josh Talks. The program was organized in association with the ICC Committee of the institute. The following day, the institute organized a cleanliness drive program where the students and faculty of the institute participated in cleaning the campus and surrounding area. The program was carried out by the students with great zeal and team-work. On 16th August, 2019 a tree plantation program was conducted where several plants with medicinal and nutritional value were planted around the institute campus under the AICTE'S directive "One student, one tree".

Students of the institute have also reached out to differently abled children of HOPE School, Durgapur and celebrated the festival of brotherhood, Rakshabandhan with them. The students also spent time and distributed gifts to underprivileged children of the NGO, Missionaries of Charity, Durgapur. The institute firmly believes that involvement of students in social activities is the need of the hour for the wholesome role of true knowledge imparted during the tenure of the pharmacy course which is a profession that deals with community care and service.
