A REPORT ON NSS ACTIVITY/NATIONAL YOUTH DAY

CONDUCTED ON 11.01.23 AT NETAJI OPEN AIR AUDITORIUM

National Youth Day, also known as Vivekananda Jayanti, is celebrated on 12 January, being the birthday of Swami Vivekananda. It is the day to mark the contribution of youth to the society. The day is also about encouraging the youth to persevere and achieve greater goals in life. If the youth of the country dedicate themselves to greater good, the country is bound to grow further. Since 1985, the Indian government has recognized January 12 as National Youth Day, the anniversary of Swami Vivekananda birth. As per the official communication from the government, "It was felt that the philosophy of Swamiji's and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth." According to predictions, 53% of India's population will be under the age of 30, with the remaining 47% being adults aged 30 and above. The Youth in India report, 2022, recognizes anyone between the age group of 18-29 as youth. As of 2021, according to this parameter, 22 per cent of India's population is youth which makes India the youngest country in the world. Today, India has more than 260 million people who fall under the category of youth.

Dr. B.C. Roy College of Pharmacy and Allied Health Sciences along with the NSS wing of the institution also celebrated the auspicious day on 11th January 2023, in APC Seminar Hall. The
