**Prof Mahadeva Lal Schroff**

**Venue: Netaji Open Air Auditorium (NOAA)**

National Pharmacy Education Day was celebrated on March 6th, in honour of the birth anniversary of Professor Mahadeva Lal Schroff, who established pharmacy education in India. The day was designated by the Pharmacy Council of India (PCI) – a statutory body under the Ministry of Health, regulating pharmacy education and practice in India.

Mahadeva Lal Schroff is the Father of Indian Pharmacy Education. He was born in Darbhanga in Bihar in 1902. He was a graduate of the Engineering College at Banaras Hindu University. After completing his engineering, he went to China, Japan and USA. He then earned his UG degree in chemistry and PG in microbiology and chemistry from MIT in the USA. In 1935, he founded the United Provinces of Pharma Association. He was the editor of the Indian Journal of Pharmacy. He founded Bhaishaj Patrika, Bheshjayan, and the Indian Pharmaceutical Congress. He was the president of the State Pharmacist Association and also the President of the Pharmacy Council of India. To honour him, the IPA established the “Father of Pharmacy Award”.

On this occasion, Union Minister of State (HFW) Dr Bharati Pravin Pawar inaugurated a platform named Pharma Anveshan 2023, where academic research and the industry can exchange their findings for the benefit of society. He also launched the digital job portal called

the 'One Stop-Non-Stop'. An MoU was also signed between the PCI and several pharma bodies to bridge the gap between industry and academia, boost training (of both faculty and students), promote entrepreneurship and boost infrastructure development.

The students, learned faculty members and the staff, of Dr. B.C. Roy College of Pharmacy & Allied Health Sciences, in the presence of the Management, also celebrated National Pharmacy Education Day in APC Roy Seminar Hall. The program began the lighting of the ceremonial lamp, and the garlanding of the portrait of Prof. M. L. Schroff, which was followed by floral tribute by the management, the teaching and the non-teaching staff. The program officer of the event management committee then invited Prof. Dr. S. Chakraborty, Director BCRCP, to deliver a talk on the event. Prof. Chakraborty had been a direct student of Prof. Schroff. He shared with the students his memories with Dr. Schroff where he spoke about how he took classes, the way he conducted research, and numerous other tests related to pharmacy. He also spoke about the personality, determination, dedication and seriousness towards work of Dr. Schroff. Prof. Subhabrata Ray, Principal, BCRCP, also spoke about the contributions of Dr. Schroff in the field of research related to pharmaceutical studies. Mr. Sagar Sengupta, Registrar, BCRCP, also kept his views on World Pharmacy Education Day and modern research methodologies and inventions that are taking place in the fields of pharmacy. A videography which was prepared by the event management team on Dr. Schroff was played for the students so that they can come to know about the history of the Pharmaceutical Studies. The program ended with a vote of thanks delivered by Prof. Dr. Ashoke Kumar Ghosh, DIC, Pharmacognosy.
