### A REPORT ON ICC ACTIVITY/ WOMEN'S EQUALITY DAY

### CONDUCTED ON 26.08.2022 AT NETAJI OPEN AIR AUDITORIUM & APC ROY SEMINAR HALL

Women and girls represent half of the world's population and, therefore, also half of its potential. Gender equality, besides being a fundamental human right, is essential to achieve peaceful societies, with full human sustainable and potential development. Moreover, it has been shown that empowering women spurs productivity and economic growth. Unfortunately, there is still a long way to go to achieve full equality of rights and opportunities between men and women, warns UN Women.

It is of paramount importance to end the multiple forms of gender violence and secure equal access to quality education and health, economic resources and participation in political life for both women and girls and men and boys. It is also essential to achieve equal opportunities in access to employment and to positions of leadership and decision-making at all levels. The UN Secretary-General, Mr. Antonio Guterres has stated that achieving gender equality and empowering women and girls is the unfinished business of our time, and the greatest human rights challenge in our world. Women's Equality Day, celebrated every August 26, commemorates the passage of women's suffrage in the U.S. and reminds us of the hurdles overcome by the heroic women who faced violence and discrimination to propel the women's movement forward.

Dr. B.C. Roy College of Pharmacy and Allied Health Sciences also celebrated Women's Equality Day on 26<sup>th</sup> August, 2022 in Netaji Open Air Auditorium. The program started with the arrival of the Director, Prof. Dr. S. Chakraborty, the Principal, Prof. Dr. S. Ray and the Registrar, Mr. S. Sengupta, followed by a short addressing speech by the Director. The speech was followed by a Parade where students holding banners came forward in order to spread awareness
