Action Taken Report

Agenda No. of 32 nd BOG	Resolution Statement	Action taken
33.02	Resolved that web-based repository of research papers will be created by the college	A repository of journals / books / patents published by our faculty has been developed in our website.
33.03	Resolved that separate budget for R&D will be placed from FY: 2022-23	The budget estimate for FY 2022-23 has been restructured with a separate head of account for R&D bifurcating Seminar/Workshop/Faculty Development /Project /R&D head.

Discussion and Resolution:

Prof. Dipankar Sukul and Dr. Rahul Singh particularly praised the publication standards of the college.

The Chairman, BOG asked the Principal and the Management to give some impetus on student's research by declaring "Best Student Research Article" award alongside the disbursement of Publication Incentive to the Faculty.

He emphasised on encouraging students for going for Higher Studies through GPAT Scholarship. He also told to plan a vivid IRG Scheme that may be explored in near future.

Resolved that

- i. A "Best student Research Article" award shall be introduced with immediate effect
- ii. An IRG Plan shall be tabled in the next BOG meeting.

The members expressed overall satisfaction and approved the ATR.

34.03 Budget FY 2022-2023

The proposed budget for FY 2022-23 was placed on record for finalization by the Hon'ble Members. The actual expenses for FY 2021-22 and the budgeted expenses for FY 2022-23 was given in **Annexure – II.**

34.04 Result Analysis of Odd Semester AY: 2021-2022

The result analysis data and comparative pictorial representation was presented for odd semester AY 2021-22 in Annexure – III.

It could be understood clearly that compared to previous semesters, results of the odd semesters of AY 2021-22 has been fairly good. However, it should be pointed out that due to lockdown, the conventional pen-paper examination could not be held and the exams were held digitally through MCQ based proctored examination mode. The results of D. Pharm Part I for AY 2020-21, which is now available, was also provided in the Annexure – III.

34.05 Training & Placement Report

The campus placement for the year 2022 was continuing, and college's placement assistance would continue for the unplaced students. Several companies physically / virtually visited the campus, and till then 27 companies either conducted interviews or had collected CVs for short listing for interview. Till then the college T&P cell had placed 97 (62 UG + 5 PG + 30 Diploma) students through offline/virtual interviews and about 70 students had expressed their willingness for higher studies both with the college as well as with other reputed national level institutions as per information available. The college was constantly updating the information for students who were being placed at various industries and Institutions as the hiring and admission process continued.

Like previous years, students were being encouraged to go for Industry/Hospital Training. However, the post-pandemic slowdown had severely impacted the training opportunity on site as many industries were not providing training slots or were not responding immediately to the college's requests. Still several students had completed or would be completing their training primarily from Sikkim / Baddi industrial belt, industries surrounding Kolkata and local hospitals. Several students had expressed their interest to get training from various hospitals, particularly, for Pharmacovigilance training in Govt. Hospitals. Likewise, interest for PV jobs was also on the rise, though that year the primary PV companies had not come to campus in significant hiring drive. The detailed report was presented by the Placement Officer, Mr. Sanjay Chattaraj and the data was given in Annexure - IV.

Discussion and Resolution:

A few problems of refusing job and training were raised by the Principal and the TPO.

Dr. Jaya Bandyopadhyay proposed to collect Parent's consent in this regard. She also advised the TPO to send request to the Employers for making a wait list during the recruitment process.

Dr. Satyajit Bose assured that he personally shall take initiatives for T & P by interacting with the high officials of Drug Companies who visit The Mission hospital.

Dr. Piyali Datta Chakraborty and Dr. Rahul Singh also assured that they shall try to make provision for training and projects for M. Pharm. Students at their respective organisation, if request from the college is sent.

The Chairman, BOG asked the Principal to send letter to the PCI requesting facilitation of GoI Training from their end.

Resolved that

- i. The TPO shall introduce Consenting System in Recruitment and Training drives.
- ii. The Principal shall send a letter to the PCI requesting facilitation of GoI Training from their end.

34.06 Current Strength of Faculty & Staff of the College

The current strength of faculty stood at 36 full time and 05 part time teachers. In between 33rd and 34th BOG meeting, four faculty, 3 Laboratory assistants and 1 Laboratory attendant joined the college. One faculty had resigned meanwhile. In her place, one faculty had been shortlisted (to join from 1st August 2022) for humanities after due process of advertisement, interview and selection committee recommendations. Total number of Ph.D among the faculty stood at 18 now (50% of the total full time strength).

34.07 Detailed Report of "Anti-ragging"

Being the Chairman of the Anti-ragging Committee of the Institution, the MS placed on record the Anti-ragging activities of College.

With the coming of the new batch of students to the campus and particularly to the Hostels, the college stepped up its active anti-ragging measures. Posters and Banners related to anti-ragging were permanently placed all throughout the campus and were still being displayed to keep constant awareness. A unique situation in hostels had occurred. The students of first year and second year were both new to the hostel as the previous batch could not come to the campus due to pandemic induced lockdown. Therefore, the challenge to maintain ragging-free environment was high. Through constitution of anti-ragging committee, squads and employment of Asst. Campus Administrator, Wardens and Matrons, the college had ensured, like previous years a ragging – free campus experience to the fresh and previous batch students and no ragging incident had been reported till then.

The MS expressed satisfaction as Chairman of the Anti-ragging Committee that existing measures were ensuring discipline and ragging-free environment for which BCRCP was well known and strongly hoped to maintain ragging – free campus record in future too.

34.08 Miscellaneous (Any other matter raised by the members with the permission of the Chairman)

Mr. Tarun Bhattacharya reported that a hike of 5% in Dearness Allowance has been given to all employees from July 2022.

The meeting ended with vote of thanks to the chair.
