

### Annual Report for Fire Safety (2022-2023)

Renewal of fire safety certificate was received from the Divisional Fire Officer, Burdwan Division West Bengal Fire and Emergency Services with Memo no.: FSR/0125186201701110 on 2<sup>nd</sup> of February 2023 for the running G+3 storied building in favor of the college. The system incorporation was done and few safety measures were told to maintain. Every location of the cylinders with distinct capacity details around the building was kept in good working order. Dates for refills and expiration were recorded. The primary goals of the agendas were to raise awareness, including understanding the equipment and to check the expiry dates of the extinguishers for increased safety. The primary goal of the meeting minutes was to raise awareness among all of the faculty, staff, and students. Furthermore, suggestions and remedial actions for resolving the risks were also discussed. In addition, mock drilling was carried out to ensure safety. It was also determined that safety circles should be the primary concern every year. Safety measures like ensuring there is no spillage or leakage of any flammable/ fuming/ toxic/ corrosive chemicals and preserving them in a sealed container were assured.

Fire safety installations Fire protection equipment, such as sprinklers, hose pipes, smoke alarms, extinguishers, and hydrants, were installed and examined, maintained, and operated across the entire facility in compliance with legal requirements.
