Kindly note

1. The duration of Apprenticeship Training will be for a period of one year from the date of contract.
2. The stipend offered to Apprentices is Rs. 12,000 per month for Graduate Apprentices
3. Apprentices are entitled to the following benefits and facilities
 - a. Canteen facility during working hours.
 - b. Transportation facility to and from the factory
 - c. Apprentices are granted a total of 16 leaves annually from April 1 to March 31. Out of these 16 leaves, 8 are designated as Casual Leaves, and 8 are Sick Leaves. It is important to note that these leaves cannot be carried forward to the next year
4. Working Days and Hours: The working days are Monday to Friday, with each day consisting of 9.5 hours
5. The trainer and the company commit to conducting a formal review of training every six months
6. The employer is not obligated to offer permanent employment to apprentices upon the completion of their apprenticeship period.
7. For relocation, the company will provide one week of guest house to the apprentices for settling down
