Practice School

The practice school for the B.Pharm course at Maulana Abul Kalam Azad University of Technology (MAKAUT) is a 150-hour period that students can distribute evenly throughout the semester.

In the VII semester, every candidate shall undergo practice school. The student shall opt any one of the domains for practice school declared by the academic (program) committee from time to time. At the end of the practice school, every student shall submit a printed report on the practice school he/she attended (not more than 25 pages). Along with the exams of semester VII, the reports are submitted by the student. The knowledge and skills acquired by the student through practice school is evaluated by the subject experts at college level and grade point is awarded.
