Dear Sir,

In response to your mail to Mr. Shobhan-Bose, Assistant Professor III of our college, which was actually intended towards the undersigned, an advisory to the defaulter teachers has been issued (copy attached).

However, we feel that the University should directly take the initiative of embittering the script checking standards. As we never get to know the actual faulty actions of the evaluators from our college, it is almost impossible for us to understand such faulty actions.

Subject: Request for Issuance of Duplicate grade Card.

Dear Sir,

I am writing on behalf of Mr. Pritam De, a fourth-year B.Pharm student at our college. Unfortunately, Mr. De has misplaced his original Grade Card for the third semester of his B. Pharm. program. He has already lodged a General Diary (G.D.) at the local police station regarding the loss.

In light of this situation, I kindly request your assistance in issuing a duplicate copy of Mr. De's misplaced Grade Card. As you are aware, the original Grade card is a crucial document for students, especially during job placements, further studies, and other academic pursuits. Without it, Mr. De faces significant challenges in proving his academic achievements.

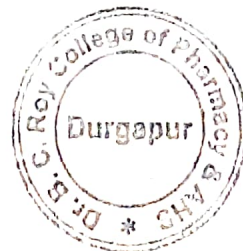

Please find attached a copy of the G.D. filed by Mr. De at the police station. We appreciate your prompt attention to this matter and look forward to receiving the duplicate mark sheet at the earliest convenience.

Thank you for your cooperation.
