**Minutes/ Resolution of the meeting**

1. The in-charge of the committee outlined the objectives of the national conference and is tentatively scheduled for early April 2024. The exact dates are yet to be finalized, with the following options under consideration: 5<sup>th</sup> – 6<sup>th</sup> April or 26<sup>th</sup> – 27<sup>th</sup> April 2024.
2. Suggestions are invited for the conference theme to reflect on current trends in research methodology.
3. As per the discussion, the venue for the conference will be Acharya PC Roy Seminar Hall, and Netaji Open Air Auditorium located at Dr. B. C. Roy College of Pharmacy & AHS, Durgapur.
4. The committee member proposed that the conference will target students, researchers, faculty, and industry professionals.
5. A preliminary list of technical sessions, oral presentation, and poster presentations has been proposed.

The following scheduled has been discussed,

**Times and Sessions of the Conference**

- Day 1:
    - Inauguration Ceremony.
    - Keynote Speaker Session.
    - Technical Session 1.
    - Lunch Break
    - Technical Session 2
    - Technical Session 3
    - Oral Presentation.
    - Poster Presentation.
  - Day 2:
    - Technical Session 4.
    - Technical Session 5.
    - Lunch Break.
    - Poster Presentation
    - Valedictory Session and Prize Distribution.
6. The committee members proposed the following tentative list of programs.
- Inaugural Ceremony.
  - Keynote Address.

  
Prof. (Dr.) Samit Kumar Samanta  
M. Pharm., Ph.D (J.U.)  
Principal  
Dr. B. C. Roy College of Pharmacy & AHS

- Technical Sessions:
    - Technical Session 1.
    - Technical Session 2.
    - Technical Session 3.
    - Technical Session 4.
    - Technical Session 5.
  - Oral and Poster Presentation Session.
  - Valedictory and Prize Distribution.
7. The committee members recommended the possible budget and proposed registration fee for the participants are as follows,
- Budget:
    - An estimated total budget of Rs. 2,50,000/- [Estimated Budget] has been proposed.
  - Registration Fee:
    - Students: Rs.800/-
    - Industry/Faculty/Researcher: Rs.1000/-
8. The committee suggested that about the formation of the organizing committee in the following form,
- The committee will be formed with the following key roles:
    - Chief Patron: Mr. Tarun Bhattacharya
    - Chairman: Prof. Samir kumar Samanta
    - Convener: Dr. Souvik Basak
    - Treasurer: Mr. Prasun Moitra.
    - Coordination Committee Member(s): Prof. Subhabrata Ray, Mr. Sagar Sengupta, Prof. Shyamshree SS Manna, Prof. Santanu Chakraborty, Dr. Sagarika Deepthy T, Dr. Manami Dhibar, Dr. Falguni Patra, Dr. Abhik Si.
9. The committee members recommended that the following speakers (tentatively)
- A tentative list of invited speakers includes:
    - Speaker 1: Dr. Chinmoy Patra, Scientist E, Agharkar Research Institute, Pune, Maharashtra.
    - Speaker 2: Dr. Partha Mukherjee, Group Lead, TCG Life Sciences Pvt. Ltd.
    - Speaker 3: Mr. Bedadyuti Chakraborty, Director, RxCella.
    - Speaker 4: Prof. Sanmoy Karmakar, Former HOD-Pharmacy, JU, Kolkata.
    - Speaker 5: Prof. V. Ravichandiran, Director, NIPER-K.
10. The registration process will be managed online, with an offline option available at the venue.
11. Car services will be provided for speakers and delegates from outstation.
12. Lunch and refreshments will be arranged on both days.
13. Guest houses or nearby hotels will be booked for outstation speakers and delegates.
14. A dedicated hospitality team will manage welcoming and assisting all dignitaries.
15. Modes of Prize Distribution

## About the Conference

In this era of interdisciplinary research and technology integration, biomedical and allied healthcare fields have taken quantum leaps and emerging towards revolution in every unit of time. The association nexus of pharmaceutical, biomedical, bioelectronics, biotechnological, molecular biological, bioimaging, biostatistics, bioengineering, pharmacovigilance and medical coding, Bio-IT with classical fields such as physics, chemistry and mathematics have been taking the entire domain to a more progressing level worldwide. These value-added efforts have paved and been paving a new way to researchers for converting various designed, synthetic and naturally derived molecules to potentially therapeutically active molecules or medicines. This two-day wise (5th-6th April, 2024) National Conference will explore the journey of molecules from their discovery in nature to their development into life-saving medicines. It will highlight cutting-edge research methodologies that are transforming this field, paving the way for future breakthroughs in medicine discovery.

## About Us

Dr. B. C. Roy College of Pharmacy & Allied Health Sciences, Durgapur (in short BCRCP), is a primary provider of qualified, trained industry-ready Pharmaceutical Technologists. Imparting application based pharmaceutical knowledge, BCRCP offers an open and friendly atmosphere where students learn, share and shine with expertise in medicines to ensure a healthier tomorrow. State-of-the-art infrastructure and a handful of dedicated and experienced faculty provide a comprehensive teaching-learning process at BCRCP. With excellence in education, BCRCP stands among one of the best pharmacy colleges in West Bengal, so to India, within 76-100 rank band in NIRF in 2020 and 2021. In 2022 it was within 125 rank band and in 2023 BCRCP ranked 100th position. Already the Institute has added the quality feathers like NBA and NAAC in its Cap.

## Message from Chief Patron

It is with great enthusiasm that I extend my warmest greetings to all of you on the occasion of the National Conference on Molecule to Medicine: Current and Future Research Methodology. As the General Secretary of our esteemed institution, the Dr. B. C. Roy College of Pharmacy & Allied Health Sciences, I am honoured to be associated with this significant event.

In the ever-evolving landscape of pharmaceutical research, the intersection of molecules and medicine holds immense promise. Our conference aims to delve into the intricacies of research methodologies, exploring both the present advancements and the pathways to future breakthroughs. By fostering collaborative discussions, we aspire to shape the trajectory of pharmaceutical science and healthcare delivery.

During this conference, we will explore various aspects:

- **Cutting-edge Research Techniques:** Uncover the latest methodologies driving drug discovery, development, and delivery.
- **Precision Medicine Approaches:** Explore personalized treatment strategies based on genomics, proteomics, and metabolomics.
- **Bioinformatics and Computational Tools:** Understand how data-driven approaches enhance drug design and optimization.
- **Ethical Considerations in Research:** Reflect on the ethical dimensions of pharmaceutical investigations.

Our collective pursuit of knowledge and innovation will pave the way for transformative solutions that benefit patients, clinicians, and society at large. Let us engage in spirited conversations, share insights, and ignite the spark of curiosity that fuels scientific progress.

Wishing you all an intellectually stimulating and rewarding experience during the conference.

With warm regards,

Tarun Bhattacharya  
General Secretary,

## Message from Chairman

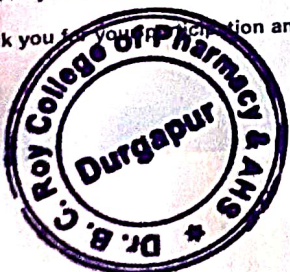

Greetings to all the colleagues and participants

I am delighted and honored to invite you to the scientific seminar on "Molecule to medicine: current and future research methodology". This seminar is designed to offer a platform for the researcher, academicians, and industry professionals to exchange their insights and experiences on the recent advances and challenges in the field of drug discovery and development.

Drug Discovery and development is a sophisticated and multidisciplinary process that involves the collaboration of various scientific disciplines, such as chemistry, biology, pharmacology, toxicology, and clinical trials. It also requires the application of cutting-edge technology and tools, such as computational chemistry, machine learning, biotechnology, and nanotechnology. The ultimate objective is to discover new molecules that can interact with the biological targets associated with diseases and translate them into safe and effective medicines for the patients.

Eminent speakers from academia and industry will share their expertise and participants and encourage new ideas and innovations in the field of drug discovery and development. We also hope that you will enjoy the seminar and have a pleasant time in Durgapur.

Thank you for your participation and attention.
