<u>A REPORT ON REPUBLIC DAY</u> <u>CELEBRATED ON 26TH JANUARY, 2024.</u>

On January 26, 1950, India proclaimed itself a republic and the Constitution went into effect. This day is commemorated in India every year as Republic Day. After India obtained independence from the British in 1947, the Constituent Assembly, led by Dr. B.R. Ambedkar, created the Constitution. It was actually a planned action: the 26th of January was declared India's "Independence Day" in the beginning, as part of Mahatma Gandhi's numerous symbolic actions during India's fight for independence from British colonial rule. The date of the Constitution's adoption was chosen to emphasize its original meaning, which called for Indians of all ages to declare their independence from the British Raj.

Republic Day Program on 26th January, 2023 in the college premises in association with NSS Wing BCRCP. The program began with the ceremonial escort of the President, Vice-President, Principal BCRCP, Principal BCRP and the Registrar of the institution to the flag stand which was followed by the Unfurling of the tricolour by the principal of both the colleges and singing of the National Anthem by the Faculty and Staff members. Prof. (Dr.) Samir Kr. Samanta, Principal BCRCP, addressed the audience where he spoke about the need of the constitution, how it was drafted, the contribution of the eminent leaders, and the ideas of equality, fraternity and unity in diversity. Prof. (Dr.) Chandan Kr. Ghosh, Principal BCRP also addressed the audience and shared his views on the toil of the freedom fighters, the ordinary humans for achieving independence and also about the significance of the day. This was followed by dance performances performed by the students of BCRP. A patriotic song sung was sung by Mrs. Shusruta Chakraborty, Assistant Professor, BCRCP. The program ended with a vote of thanks delivered by the Aniruddha Lahiri, Assistant Professor BCRCP, followed by the distribution of sweet packets.
