Dear Madam,

Greetings from Dr. B C Roy College of Pharmacy & AHS, Durgapur !!!

I had a discussion with Mr. Dinesh Naag Nalla and as he advised here I am sending you an invitation for on /virtual campus recruitment drive. Request you to do the needful.

It is a great pleasure for us to welcome You All to the Final Campus Recruitment Session of our 2024 passing out D.Pharm - 60 , B.Pharm - 100 & M.Pharm 60 (Pharmacology - 15 , Pharmaceutics - 15 , Industrial Pharmacy - 15 & Analysis - 15) batches for Production , QA , QC , R&D , Pharmacovigilance and Sales. With over two decades of glorious history and in our pursuit of inviting all the leading brands on board for our Campus Hiring Session 2023, I extend our cordial invitation to meet a unique bouquet of budding technical minds in the upcoming Hiring Session. In our constant strive for excellence, I am also pleased to convey that this batch of highly talented young men and women is ready to take up the challenging responsibilities of the corporate world.

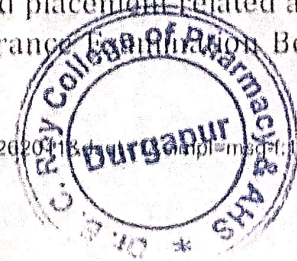

In our continuous endeavour over the years, we are fortunate and honoured to successfully maintain loyalty with our associations: CIPLA ,ABBOTT, ALKEM., SUN PHARMA., , WOCKHARDT, ALEMBIC., RAPTAKOS BRETT, DIATEK, INFUNO MEDICAL ENGINEERING, HIMALAYAN DRUGS, GSK, NESTLE INDIA LTD., FRESENIUS KABI, TCG LIFE SCIENCE, APOLLO HOSPITALS., MISSION HOSPITAL, MACLEODS PHARMA, CTS, SUN KNOWLEDGE, LUPIN LIMITED, PFIZER LIMITED ETC.

I would also like to share an observation which we have come across from a few of our major recruiters over the years. The main differentiates for maintaining loyalty with our associations are primarily the Quality of our Students (our students constitute the top performers in WBJEE and JEE MAIN) and their desire to perform anywhere in India & Abroad maintaining a very high Retention Ratio. Thus this makes primary criteria for them to enlist the name of our college in the panel of colleges they visit in Pan India Basis for each year.

Simultaneously, besides our Exclusive Campus Drive slot we are also flexible to host the Campus Events for both D.Pharm (Intake - 60), B.Pharm(Intake - 100) / M.Pharm (Intake-30) batches - online assessment test facilities - with 80 MBPS bandwidth available (NB - BCREC has been declared as the Nodal Centre of Zone II, West Bengal - for all the major training and placement related activities, by MAKAUT - Gov. of West Bengal and also by West Bengal Joint Entrance Examination Board for all their concerned affiliated colleges).
