A REPORT ON ADIEU 2K24, CELEBRATED ON 24th MAY, 2024.

It is difficult to say goodbye to someone you care about. Saying farewell represents the end of something, and nobody like endings. But one should remember that goodbyes are an unavoidable part of life. It also facilitates the start of a new chapter. Thus, the students, faculty, and management of Dr. B.C. Roy College of Pharmacy and Allied Health Sciences organized a Farewell program for the outgoing M.Pharm, B.Pharm, and D.Pharm 2024 batch, in the presence of the Principal, Registrar, Professor-in-charge P.G. & Research, DIC Pharmaceutics, DIC Pharmacology, DIC Industrial Pharmacy, and In-Charge, Diploma, at the APC Seminar Hall.

The event began with the lighting of the ceremonial lamp, followed by an introductory song. Prof. (Dr.) Samir Kr. Samanta, Principal, BCRCP addressed the students where he spoke about the bond that exiting students have with their institution and how they may become successful individuals in the near future. He also rekindled warm recollections of their time together. Prof. (Dr.) Subhabrata Ray, Professor-in-Charge, P.G. Studies & Research also addressed the students where he motivated them to keep the name and fame of Pharmacy and the institution high. Mr. Sanjoy Konar, In-Charge Diploma, in his address to the students congratulated them for completing their course and encouraged them to take up higher studies. Mr. Aniruddha Lahiri, Assistant Professor, BCRCP, also addressed the students where he advised them to maintain professionalism being technical professionals and also

encouraged them to undergo higher studies. Mr. Sanjoy Chattaraj, TPO, BCRCP, in his address to the students, spoke about the professional environment and the challenges a fresher has to face in the industry and the ways to overcome them.

The post-lunch session was a cultural session where the present students put forth cultural programs for their seniors to enjoy. Videographies were also developed for the students in the various courses and were displayed. The cultural presentation was followed by the delivery of souvenirs to the students by the DICs and subject teachers. Some of the exiting students also shared their perspectives, speaking about their accomplishments, learnings, and how their professors helped them get to this point. Some even contributed to the event with recitations and songs. Students were in tears, pledging to stay in contact and meet at every reunion. The event ended with the vote of thanks delivered by Mr. Sagar Sengupta, Registrar BCRCP.

Speaker
Ms. Debadrita Sen
Assistant Professor (English)
Basic Science and Humanities
Dr. B. C. Roy Engineering College, Durgapur

22nd September, 2023, 2:30 pm
Venue: Acharya P.C. Roy Seminar Hall

Soft skills, often called people skills or emotional intelligence, are defined as the ability to interact amicably with others. They are personal attributes that can affect relationships, communication, and interaction with others. Soft skills are an essential part of improving one's ability to work with others and can have a positive influence on furthering your career. If you are a small business owner or self-employed, soft skills can help you find, attract, and retain clients. Highly-developed presentation skills, networking abilities, and etiquette awareness can help you win new clients and gain more work from existing clients. Honing your abilities to resolve conflicts, solve problems, and provide excellent customer service can lead to stronger relationships with colleagues, vendors, and other professional contacts. Ultimately, strong soft skills can help you gain confidence—an invaluable trait in the business world. On the other hand, a lack of soft skills can limit your potential, or even be the downfall of your business. By developing strong leadership, teamwork, and communication abilities, you can run projects more smoothly, deliver results that please everyone, and even positively influence your personal life by improving how you interact with others.

The Internal Quality Assurance Cell of Dr. B. C. Roy College of Pharmacy & Allied Health Sciences Durgapur also organized a seminar on Business Communication and Soft Skills Enhancement for both the B. Pharm and M. Pharm students at APC Roy Seminar Hall. The eminent speaker for the occasion was Ms. Debadrita Sen, Assistant Professor (English), Dr. B.

C. Roy Engineering College. The event began with a welcoming address of the Principal & IQAC Chairman, Prof. Dr. Samir Kumar Samanta.

Being a soft skill trainer herself, Ms. Sen started the session by differentiating between business communication and soft skills and that how both the components are interrelated. She discussed in details about the most important soft skills, the communication process, the stages of communication, enhancement of listening skills, the difference between listening and hearing, how to enhance speaking skills, the presentation skills, SWOT analysis and Barriers to effective communication. She specially focused on interview skills where she discussed how the recruiters check the different soft skills that a candidate acquires. She even pointed out the dos and don'ts of an interview, the way one should behave, the non-verbal communication skills to be maintained, the commonly asked questions, decision making skills, leadership skills among the others.

Business Communication and Soft Skill Enhancement is a vast domain. Communication Skills and Soft Skills, both, are equally necessary in the current scenario to sustain in the present market. While hard skills give us the knowledge to perform a particular task, it is soft skills that will help us to add value to our life. Enhancement of Soft Skills will lead us to be a better individual and to become a successful person in life. The session was indeed an interesting and informative session which helped the students to learn many unknown and new facts. The program ended with the handing over of the certificate and memento to Ms. Sen by Mr. Sagar Sengupta, Registrar BCRCP, which was followed by a vote of thanks delivered by Prof. Dr. Shyamshree S. S. Manna, DIC Pharmacology and Criteria Head NAAC 5.1.3.

**A REPORT ON THE COMMEMORATION DAY OF LATE SHRI DULAL MITRA,
FORMER PRESIDENT, BCREC SOCIETY ON 12TH FEBRUARY, 2024.**

To quote Tagore, "Aache Dukkho, Aache Mrityu, Birohodohono lage", which means "Death exists; so does grief and anguish". As rightly said, death is the ultimate truth which each and every individual has to face. It was on 12th February, 2018 that our beloved Dulal Mitra Sir left for heavenly above leaving a blank space inside everyone's heart.

The Management, Faculty and staff observed the 6th death anniversary of our Former President Shri Dulal Mitra Sir on 12th of February, 2024 at Netaji Open Air Auditorium. The program began with the arrival of the dignitaries at the auditorium which was followed by the garlanding of the portrait of Late Shri Dulal Mitra Sir by the Principal, Prof. (Dr.) Samir Kumar Samanta sir. He also addressed the audience with his address where he said that it was very unfortunate of him for not getting the opportunity to work with Late Mr. Mitra Sir.

Prof. (Dr.) Subhabrata Roy, Professor & In-Charge, P.G. Studies & Research spoke about his experiences of working with the bereaved soul. He focused on how humane he was, how he catered to the needs and problems of each faculty and staff members and how he maintained unity and harmony. He also spoke about the different good things he had learned from his association with Late Mitra Sir. Mr. Sagar Sengupta, Associate Professor & Registrar, addressed the audience about his entrepreneurial skills. He spoke about how single handedly, and then with the help of other members, he led to the foundation and then the formation of Dr. B.C. Roy Group of Colleges. He also addressed the audience about his decision-making skills, his discipline, his working style among the others. His speech concluded with a low-spirited voice which made significant how much he misses Mitra Sir and his guidance.

Mrs. Sushruta Chakraborty, Assistant Professor, sang a Rabindra Sangeet as a mark of homage and respect to the bereaved soul which was followed by floral tribute by each and every member. As rightly said "Those we love don't go away, they walk beside us every day...., unseen, unheard, but always near, still loved, still missed, and very dear", similarly it is only Mitra Sir's body that has gone. His soul remains here amongst his loved once forever.

A REPORT ON CONDOLENCE MEET OF

LATE MR. SHYMAPADA ROY HELD ON 11TH JULY, 2023.

CONDOLENCE

21st Feb '95 – 10th July 2023

Late Shyamapada Roy

Ex-Faculty

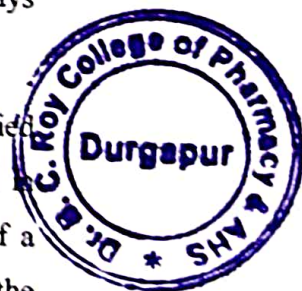

A tribute from

DR. B. C. ROY COLLEGE OF PHARMACY & AHS
DURGAPUR

As Tagore said, "Death is not extinguishing the light; it is only putting out the lamp because the dawn has come". Death is an inevitable and the ultimate truth which we human beings fail to accept as it is very difficult for us to part with our near and dear ones. Dr. B. C. College of Pharmacy & Allied Health Sciences also lost a jewel on 10th of July who was none other than Late Mr. Shyamapada Roy, an ex-faculty and well-wisher of the institution who has always strived for the betterment of the students, college and for the organization as a whole.

The faculty, teaching and non-teaching staff of Dr. B. C. Roy College of Pharmacy and Allied Health Sciences organized a condolence meet on 11th of July at APC Roy Seminar Hall in remembrance of the bereaved soul. The condolence meet began with the observation of a minutes' silence which was followed by the garlanding of the portrait of Late Mr. Roy by the Principal, Prof. Dr. Samir Kumar Samanta and delivery of a short address of grief. Mr. Sagar Sengupta, Registrar, spoke about his personal association with Late Mr. Roy. He also spoke about how Late Mr. Roy maintained discipline, how much he was serious about academics, how well he managed and adjusted classes and also about his student friendly attitude. Dr. Subhabrata Ray, Professor-in-Charge & Head, PG Research, talked about his short association with Late Shyamapada Roy Sir. He also informed the audience about Late Mr. Roy's own pharmaceutical company, his entry into the teaching, the accidents he survived and the services

Constitution Awareness Program

6th March'24

Time: 4:30-5:30 pm

Venue :APC ROY Seminar Hall

As India prepares for the 18th Lok Sabha Election, Prime Minister Narendra Modi encourages first-time voters to participate in the democratic process through the Mera Peela Vote - Desh Ke Liye campaign during his 110th 'Mann ki Baat'. He emphasized the importance of voting in the forthcoming election and encouraged students to actively engage and inspire others to do the same. The "Mera Peela Vote Desh Ke Liye" campaign intends to engage approximately two crore first-time voters in the next Lok Sabha election and link them to the values of democracy. The multidimensional strategy aims to inspire young and first-time voters to vote and understand their impact in shaping the nation's future. The objective of the campaign is to engage and motivate young and first-time voters to exercise their right to vote, emphasizing the impact of their participation on the nation's well-being and harness the influence of young first-time voters as trendsetters and influencers to encourage their peers to vote as well. It also aims to raise awareness about the constitution amongst the people, especially the first-time voters.

The faculty, students and staff of Dr. B. C. Roy College of Pharmacy & Allied Health Sciences also observed the Constitution Awareness Program which was organised by the NSS Wing of the college. It was observed at APC Roy Seminar Hall where first-time voters were made aware of the importance of their right to vote and the constitution by Prof. (Dr.) Samir Kumar Samanta, Principal. The students also took a pledge on "Mera peela vote desh ke liye" as per

A REPORT ON NATIONAL DOCTORS DAY,

CELEBRATED ON 1ST JULY, 2023.

National Doctors' Day is celebrated on 01 July every year. In India, National Doctors' Day was first observed on 01 July 1991 in the honour of Dr. Bidhan Chandra Roy, to pay tribute to his contributions in health domain. Dr. Bidhan Chandra Roy was a renowned physician, an educationist, a freedom fighter, a social worker and a politician. He also served West Bengal for 14 years as a chief minister. He was awarded with the highest Indian civilian award, THE BHARAT RATNA on 04 February 1961. He contributed his life for the people, treated many and inspired millions. Furthermore, he was also the Mahatma Gandhis' personal physician. In the year 1976, the B.C. Roy National Award was instituted in his memory to recognize the eminent person working in the areas of medicine, science, public affairs, philosophy, arts and literature.

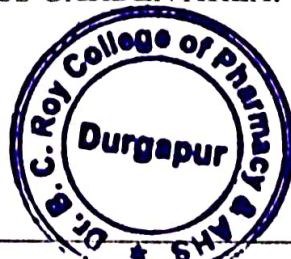

The Management along with the faculty, staff and students of Dr. B. C. Roy College of Pharmacy & Allied Health Sciences, along with the faculty and staff of Dr. B. C. Roy Polytechnic College, celebrated the auspicious day at the college premises on 1st July, 2023. The program began with the garlanding of the statue of Dr. B. C. Roy by the Management members followed by the faculties and staffs of both the colleges. Prof. Dr. Chandan Kumar Ghosh, Principal, Dr. B.C. Roy Polytechnic college delivered the inaugural address where he spoke about the life of Dr. B. C. Roy, and thanked all the doctors for taking up this noble profession for the betterment and benefit of people. Students also showed their homage towards Dr. Roy by paying floral tributes. The program ended with the vote of thanks delivered by Mr. Sagar Sengupta, Registrar, Dr. B. C. Roy College of Pharmacy & Allied Health Sciences.

A REPORT ON FOREST WEEK, OBSERVED ON 27TH JULY, 2023.

The poster features a central illustration of two hands holding a sapling. Text on the poster includes: 'Dr. B. C. Roy College of Pharmacy & AHS' with NAAC and NBA logos; 'In association with Paschimbanga Vigyan Mancha'; 'observes "Forest Week" 27th July'; 'Highlights Tree Plantation Collage Competition Theme: Mother Nature'; and 'Click here for Registration, Last date: 23/07/2023 Certificates to all participants'.

The students, teaching and non-teaching staff of Dr. B. C. Roy College of Pharmacy & Allied Health Sciences in association with Paschimbanga Vigyan Mancha successfully observed Forest Week on 27th July, 2023. The program started with the lighting of the ceremonial lamp which was followed by the inaugural address of the Principal, Prof. Dr. Samir Kumar Samanta, who in his speech spoke about the importance of forests and how forests are a source of medicinal components for the pharmacists, and the role of pharmacists, in specific, for the preservation of forests. The stage was then handed over to Mr. Srikanta Chattopadhyay, Secretary, Paschimbanga Vigyan Mancha, who spoke on biodiversity. He elaborated on what is biodiversity, the different types of biodiversity, the importance of biodiversity, ecosystem, the loss of biodiversity and natural habitat, effect of human activities on biodiversity, sustainable development and reasons to protect biodiversity. He also presented a sharp sketch of steel city Durgapur which portrayed imaged of how the city was two decades back and how it is now. He listed out the different types of migratory birds and animals of rare species which were found in Durgapur and how the removal of forests has led to their loss of habitat and their extinction. The technical talk was followed by tree plantation in BCRCP Campus by the

A REPORT ON INDEPENDENCE DAY AND KARGIL VIJAY DIWAS.

CELEBRATED ON 15th AUGUST, 2023.

Independence Day is observed as a national holiday in the country. This day in particular serves as a reminder of the numerous sacrifices made by our warriors to advance the liberation movement and secure our independence from British domination. The Indian National Flag which is in use now was designed by Pingali Venkayya, an educationist and freedom fighter from Andhra Pradesh. On August 15, 1947, the first Prime Minister of India, Jawaharlal Nehru, hoisted the national flag at Lahori Gate of Red Fort in Delhi.

The members of Dr. B. C Roy College of Pharmacy & Allied Health Sciences Durgapur successfully celebrated 77th Independence Day on 15th August, 2023 in the college premises. The program began with the ceremonial escort of the General Secretary, the Principal BCRCP, Principal BCRP, Registrar, other dignitaries and faculty and staff of the institution to the flag stand. All the faculty and staff including the students of both BCRCP and BCRP gathered in BCRCP lawn for Unfurling tricolour flag by the Principal, BCRCP. National Anthem was sung by the Faculty, Staff members and students. The Principal of BCRCP addressed the Independence Day Program which was followed by address of Principal, BCRP. A patriotic song was sung by one of the faculty and students presented a dance performance. Mrs. Rituparna Chaki Ghosh sung "Vande Mataram" aloud. A student of 3rd year also contributed to the program through his marvellous recitation which made the audience spellbound. All the students, the teachers and the non-teaching staffs took the Panch Pran Pledge. The college also

A REPORT ON INDUCTION PROGRAMM OF B.PHARM BATCH, 2023.

**DR. B. C. ROY COLLEGE OF PHARMACY & AHS
DURGAPUR**
Organizes

**INDUCTION PROGRAM
B.PHARM BATCH 2023**
18th August– 1ST September-2023
Venue : APC Roy Seminar Hall

The induction program outlined in the document spanned over multiple days, taking place in the Acharya PC Roy Seminar Hall. It featured a structured schedule designed to orient new students with various aspects of their academic journey and personal development.

Here is a detailed report on the activities mentioned in the induction program schedule:

Day 1: August 18, 2023

Visit to NGO and social service: Students were taken to an NGO Vivekananda Bani Prachar Samity where children from underprivileged families are provided free education from primary to vocational training for adults. Through the visit, BCRCP donated copies, stationaries and gifts to the children through our students to instill in them the happiness in helping the children.

Day 2: August 21, 2023

Mentor-Mentee System and Mentor Distribution: The program started with the introduction of the mentor-mentee system. Mentors were assigned to students to provide academic and personal guidance throughout their studies.

MAR-MOOCs: Importance and Implementation: Dr. Souvik Basak delivered a session on Massive Open Online Courses (MOOCs) and their role in supplementing classroom learning.

ACCREDITED BY NAAC (B++) & NBA (FOR UG PHARMACY) [2023-2026]

Prof. (Dr.) Samir Kumar Samanta
M. Pharm., Ph.D (J.U.)

Day 5: August 24, 2023

Elocution Competition: An elocution competition on the topic “Women in Equity” provided a platform for students to express their views on gender equality and women's empowerment.

Soft Skills and Personality Development Talk: Mrs. Sarabjeet Lahiri conducted a session on soft skills and personality development, emphasizing their importance in career advancement. She shared tips on communication, teamwork, and leadership skills.

Women Equality Day Celebration: Organized by the ICC, this event featured guest speakers like Mrs. Sikha Roy and Dr. Suneeta De. They discussed the role of women in achieving equality and progress, inspiring students to champion gender inclusivity.

Day 6: August 25, 2023

Interaction with Swami Sukhananda: Students had an enriching interaction with Swami Sukhananda, who shared spiritual insights and motivational thoughts to encourage resilience and positivity.

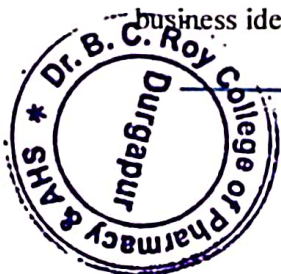

Library Orientation: Mr. Sambhunath Mukherjee, the librarian, explained the library's resources, services, and digital access protocols, guiding students on how to maximize its use for academic success.

Communication Skills Development Workshop: Conducted by Mr. Aniruddha Lahiri, this session focused on enhancing verbal and non-verbal communication skills critical for personal and professional environments.

Day 7: August 28, 2023

Yoga and Meditation Session: Mr. Tarun Mukherjee led a yoga and meditation session to promote mental well-being and stress management. Techniques to improve focus and relaxation were demonstrated.

Entrepreneurship Cell Overview: A discussion on the importance and functioning of the E-Cell provided insights into fostering entrepreneurial mindsets and utilizing institutional support for business ideas.

He emphasized the importance of MOOCs in enhancing subject knowledge and acquiring skills aligned with industry trends.

Examination System Overview- The examination in-charge provided a detailed overview of the examination system, focusing on rules, evaluation methods, and the grading process. This session aimed to familiarize students with assessment protocols.

Fee Payment and Related Instructions- Mr. Prasun Moitra, the Accounts Officer, explained procedures related to fee payments and financial transactions. He also addressed common queries to ensure smooth compliance with institutional policies.

Code of Conduct- Mr. Sagar Sengupta, Registrar of BCRCP, elaborated on the institution's code of conduct. His talk emphasized ethical behavior, discipline, and maintaining academic integrity.

Day 3: August 22, 2023

Essay Writing Competition: Students participated in an essay competition titled "My Idea of Service." This activity aimed to stimulate critical thinking and articulate ideas on societal service.

Talk on Environment and Biodiversity: Conducted in association with WB Bigyan Mancha, the session by Mr. Srikanto Chattopadhyay highlighted environmental conservation and biodiversity's significance. It instilled awareness of ecological responsibility among students.

NSS Formation and Functioning: A session was dedicated to the National Service Scheme (NSS), focusing on its objectives, formation, and registration process. The talk encouraged students to participate in community service and social work.

Day 4: August 23, 2023

Visit to College Facilities: Teams were organized to visit various facilities of the college, including laboratories, libraries, and recreational spaces. The aim was to familiarize students with the resources available to support their academic and extracurricular pursuits.

Alumni Association Session: The Alumni Association discussed its organization, functions, and vision. Alumni shared their experiences and offered guidance to students on leveraging alumni networks for professional growth.

Approved by PCI & Affiliated to MAKAUT, WB and WBSCT&VE&SD
Dr. Meghnad Saha Sarani, Bidhannagar, Durgapur-713206, West Bengal (India)

Additional Courses Introduction: The session highlighted value-added courses like the GPAT Cell and IT training programs, showcasing opportunities for skill enhancement and competitive exam preparation.

Training and Placement Discussion: Mr. Sanjay Chattaraj addressed career guidance and placement strategies. He emphasized the importance of internships and industry collaborations for career readiness.

Day 8: August 29, 2023

Sports Day: A day dedicated to sports activities encouraged teamwork, physical fitness, and recreational engagement among students.

Day 9: August 30, 2023

Psychological Counselling Session: This session, designed to promote mental health awareness, included discussions on managing stress and emotional challenges. The session was conducted by resource person Mrs. Anurupa Ganguli, psychological counsellor from The Mission Hospital, Durgapur.

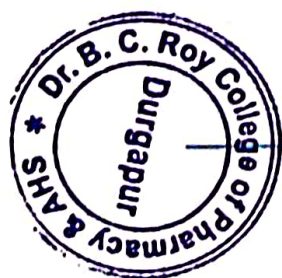

Group Discussion on Mental Health: Students participated in group discussions to share perspectives on mental health challenges and solutions, fostering an inclusive and supportive environment.

Technical Sessions: Topics included career options after studying pharmacy and advancements in pharmaceutical technology, delivered by Prof. Samir Kumar Samanta.

Day 10: August 31, 2023

Art Therapy Activities: Sketching, painting, and writing therapy sessions provided students with a creative outlet to express their thoughts and emotions.

Cultural Performances: Students showcased their talents in singing, instrumental music, dance, and storytelling, highlighting the importance of cultural enrichment.

A REPORT ON INTERNATIONAL MOTHER LANGUAGE DAY

OBSERVED ON 21ST FEBRUARY, 2024.

**DR. B. C. ROY COLLEGE OF PHARMACY & AHS
DURGAPUR**

Organizes

International Mother Language Day

Theme

Multilingual education is a pillar of intergenerational learning

21st February '24

Time: 1:30-2:30 pm

Venue :APC ROY Seminar Hall

“Amar Bhaier Rokte Rangano 21 February, Ami ki Bhulte Pari?” To translate “ How can I forget my martyr brothers those who have sacrificed their life on 21st February, just to uphold the integrity and respect of their language?” The idea to celebrate International Mother Language Day was the initiative of Bangladesh. It was approved at the 1999 UNESCO General Conference and has been observed throughout the world since 2000.

Even though the majority of people in both East Pakistan and West Pakistan spoke Bengali or Bangla, the Pakistani government designated Urdu to be the only official language of the country in 1948. Since most individuals were from East Pakistan and spoke Bangla as their first language, the people there revolted. Together with Urdu, they insisted that Bangla be included as one of the official languages. On February 23, 1948, Dhirendranath Datta of East Pakistan made the initial demand in the Pakistan Constituent Assembly. To put an end to the demonstration, the Pakistani government banned public gatherings and demonstrations. The public helped the University of Dhaka students organize large-scale demonstrations and gatherings. On February 21, 1952, protesters were shot at by police. Along with hundreds of injuries, the deaths of Abdus Salam, Abul Barkat, Rafiq Uddin Ahmed, Abdul Jabbar, and

Shafiqur Rahman occurred. This was one of the rare occasions in history when someone gave their life in defence of their mother tongue.

On 16 May 2007 the United Nations General Assembly in its resolution called upon Member States "to promote the preservation and protection of all languages used by peoples of the world". By the same resolution, the General Assembly proclaimed 2008 as the International Year of Languages, to promote unity in diversity and international understanding, through multilingualism and multiculturalism and named the United Nations Educational, Scientific and Cultural Organization to serve as the lead agency for the Year.

BCRCP fraternity also observed International Mother Language Day on 21st February, 2024 at APC Roy Seminar Hall. The program began with a welcoming address by Prof. (Dr.) Subhabrata Ray, Professor-in-charge PG Studies and Research who spoke about the importance of the day and why this day is celebrated worldwide. He also addressed the audience about why multilingualism is not only an asset but also a necessity. He spoke about how multilingualism enhances our learning and cognitive abilities and that learning more than one language can improve our memory, creativity, problem solving and critical thinking skills. He also added that multilingual education which is based on the use of mother tongue as well as additional languages can foster these benefits.

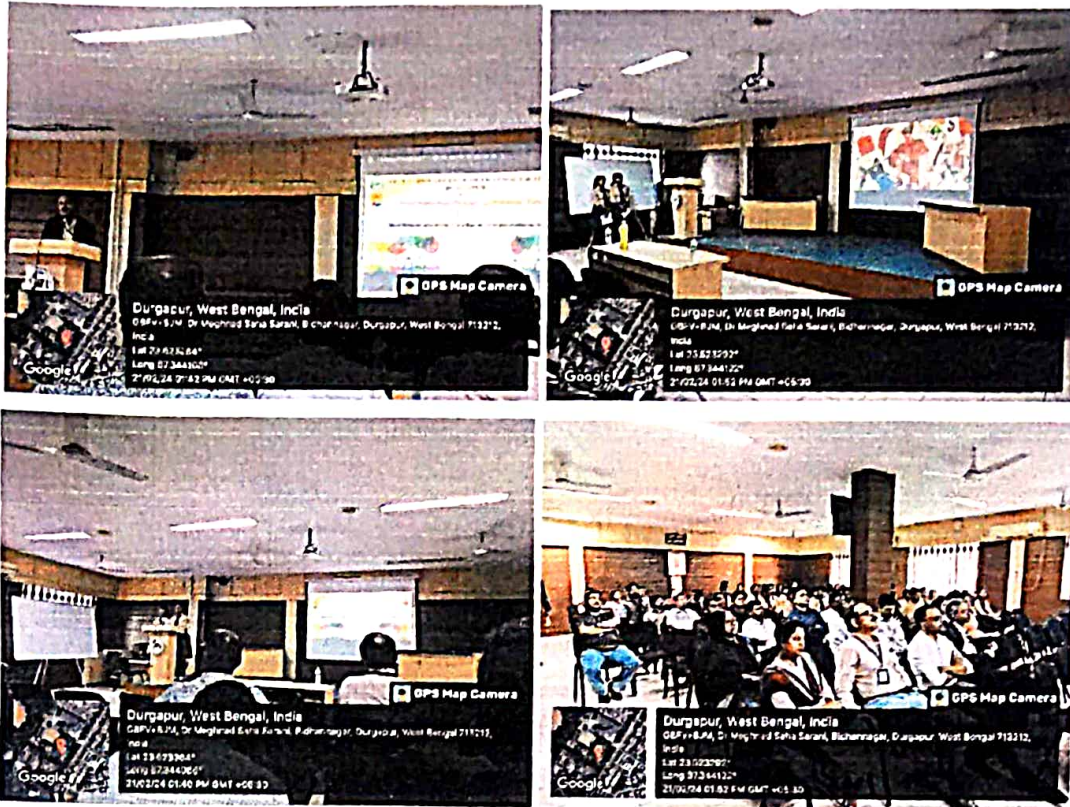

As International Mother Language Day binds in itself all different languages, a small multilingual cultural session was organized after the speech of Prof. (Dr.) S. Ray in which the teachers and the students took part with great enthusiasm and zeal. A video documentary that was prepared on the significance of 21st February by the students was telecasted on the occasion. A speech in Hindi was delivered by students. Mrs. Sushruta Chakraborty, Assistant Professor, BCRCP presented a Bengali song to glorify her mother tongue. Mr. Aniruddha Lahiri, Assistant Professor, BCRCP recited a poetry in Punjabi to uphold the integrity of his mother tongue. He translated it for the better understanding of the audience. This was followed by a song of Tagore sung by him to show his respect towards Bengali language. Dr. Sagarika Deepthy T., Assistant Professor, BCRCP, recited a poem in Telegu. The session ended with a performance by Mr. Sagar Sengupta, Registrar, BCRCP and the vote of thanks delivered by him.

A REPORT ON NATIONAL PHARMACY EDUCATION DAY OBSERVED ON 6TH MARCH, 2024.

**DR. B. C. ROY COLLEGE OF PHARMACY & AHS
DURGAPUR**

Organizes

National Pharmacy Education Day

"Pharma Anveshan 2024"

6th March'24

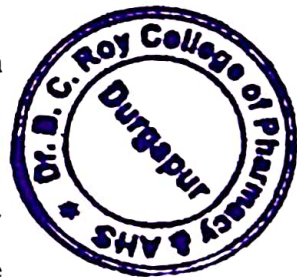

Venue :APC ROY Seminar Hall

Time: 4:30-5:30 pm

In observance of Professor Mahadeva Lal Schroff's birth anniversary, who founded pharmacy education in India, March 6th was designated as National Pharmacy Education Day. The Pharmacy Council of India (PCI), a statutory agency under the Ministry of Health that oversees pharmacy practice and education in India, declared the day.

The founder of Indian pharmacy education is Mahadeva Lal Schroff. In 1902, he was born in Darbhanga, Bihar. He has graduated from Banaras Hindu University's Engineering College. Upon finishing his engineering studies, he traveled to China, Japan, and the USA. After that, he graduated from MIT in the United States with a UG in chemistry and a PG in microbiology and chemistry. He established the United Provinces of Pharma Association in 1935. He oversaw the Indian Journal of Pharmacy as its editor. He was the founder of the Indian Pharmaceutical Congress, Bheshjayan, and Bhaishaj Patrika. In addition, he presided over the Pharmacy Council of India and the State Pharmacist Association. The IPA created the "Father of Pharmacy Award" in his honour.

The students, learned faculty members and the staff, of Dr. B.C. Roy College of Pharmacy & Allied Health Sciences observed National Pharmacy Education Day in APC Roy Seminar Hall. The program began with an inaugural address by the Principal, Prof. (Dr.) Samir Kumar

Durgapur, West Bengal-713206

Samanta Sir where he spoke about Prof. Schroff's pivotal role in shaping pharmacy education in India.

Prof. (Dr.) Subhabrata Ray, Professor-in-charge, PG Studies & Research delved into the theme of National Pharmacy Education Day of 2024 which is "Leveraging Synergism: Industry Academia Partnership for Implementation of National Education Policy 2024". To make the theme understandable for the students, he broke it down into three segments namely synergism, industry-academia partnership and National Education Policy. He further described that synergism signifies the power of collaboration, where the whole becomes greater than the sum of its parts, and the students, who are the future contributors of pharmacy ecosystem, can achieve remarkable outcomes by synergizing their knowledge, skills and passion. He further added under industry-academia partnership that collaborating with pharmaceutical companies, research organizations, and healthcare institutions bridges the gap between theory and practice. It allows to stay updated with the latest advancements, understand market dynamics, and contribute meaningfully to drug development and patient's care. Regarding the New Education Policy 2024, he stated that the policy encourages interdisciplinary learning, research and entrepreneurship and that the opportunities must be embraced to shape the future of pharmacy. He also told the students to be curious, to be able to collaborate, to be adaptable and to follow ethics. He concluded his delivery by motivating the students that they must bridge the gap between academia and industry, nurture innovation and contribute to build a healthier world.

In order to celebrate the day, the event management committee organized an online banner competition in which 75 students of B. Pharm participated. Hasina Khatun secured the 1st position, Joydeep Banerjee secured the 2nd position and Rupam Mondal secured the 3rd position. A debate competition was also conducted. Poulomi Maity won the 1st prize and Anirban Adhikary won the 2nd prize. The program ended with a vote of thanks delivered by Sri Sagar Sengupta, Associate Professor & Registrar, BCRCP.

Every person on the planet benefits from science in some way. We may use science and its applications in our daily lives even when we are unaware of it. Recognizing how science and its applications have improved our lives and made things simpler for us is crucial. The advancement of science has had a profound impact on human life. Humans now have easier and better lives thanks to science. Science alone has contributed to the invention of robots, computers, mobile gadgets, etc. Science is therefore very important in our life. Every year, National Science Day is observed to raise awareness about the importance of science in our lives and also acknowledge the efforts of the scientists who work in exploring more ways by which science can be implemented to make our lives simpler and easier.

The day Indian physicist Chandrasekhara Venkata Raman discovered the Raman Effect is celebrated as National Science Day. The phenomenon known as the Raman Effect occurs when light passes through a transparent substance and is dispersed, changing its energy and wavelength. On February 28, 1928, CV Raman made the discovery of the Raman Effect. In 1930, he was also awarded the Nobel Prize in Physics in recognition of his outstanding contributions to the discipline. Many scientific developments have been supported by the Raman Effect, which has made it easier to create methods that are crucial for solving a wide range of global issues. In a variety of fields, including mineral exploration on far-off worlds, examination of tablets, powders, and liquids, bomb detection, and the study of malignant tumor cells, scientists have applied this idea to solve important problems.

The theme chosen for this year's National Science Day celebration is "Indigenous Technologies for Viksit Bharat" (Indigenous Technologies for Developed India). It underscores the nation's commitment to promoting home-grown technological solutions for societal well-being. According to a statement from the Ministry of Science and Technology, the theme aims to foster public appreciation for science, technology and innovation while highlighting the achievements of Indian scientists in leveraging home-grown technologies to address pressing challenges. By emphasising the importance of indigenous technologies, this year's celebration seeks to inspire collaboration and cooperation among the public and scientific community, furthering India's progress and contributing to global advancement.

The faculty, staff and students also observed National Science Day on 28th February, 2024 at APC Seminar Hall. The program began with an inaugural address by Prof. (Dr.) Subhabrata Ray, Professor-in-Charge, PG Studies & Research, where spoke about CV Raman and how science has made life easier. Mr. Sagar Sengupta, Registrar BCRCP spoke on how science is helping the students and researchers and the benefits of new scientific inventions especially in the field of Pharmacy. Mrs. Rituparna Chaki Ghosh, Assistant Professor, BCRCP, kept her views on exploring realms of science across multi-disciplinary areas. She also spoke about the updated methods of learning that has been gifted to us by science. An online quiz competition was conducted where 53 students actively took part in. Nishu Roy of B. Pharm 3rd Year secured the first position, Debjyoti Dey of B. Pharm 4th Year secured the second position and Vishal Kumar Mahato of B. Pharm 4th Year secured the third position.

A REPORT ON CELEBRATION OF NATIONAL SPORTS DAY,

CELEBRATED ON 29TH AUGUST, 2023.

Sports are a very important activity for Students. It's one activity which can help us to develop multiple qualities like sense of togetherness, leadership skills, stamina, physical strength, planning and strategy, patriotism and team work, the qualities which help us to excel in life. National Sports day is not only a tribute to one of greatest in the game; it also reminds us the importance of sports in our Life and as integral part of 'Fit India Mission'. National Sports Day is celebrated as the birth anniversary of Major Dhyan Chand.

Dr. B.C. Roy College of Pharmacy & A.H.S (BCRCP) in collaboration with BCRCP NSS wing celebrated National Sports Day on 29th August 2023 from 11 am onwards to commemorate the birth anniversary of the legendary Hockey player and Olympian, Major Dhyan Chand in the college premises. The event was organized in such a manner that it became a part of the Induction Program. The event began with the delivery of the key note by Prof. (Dr.) Samir Kumar Samanta, Principal, BCRCP. In his address, the Principal spoke about the importance of observing such a day as well as congratulated the attempts of all those who organized the wonderful event. He also said that, the primary objective of National Sports Day is to promote the importance of sports and encourage people to be physically active. Mr. Sagar Sengupta, Registrar, BCRCP delivered a message about the importance of the National Sports Day and the reason behind its celebration and the importance of sports in our life. The students also took the Fit India pledge. Students named Supreti Chowdhury, Poulomi Maity, and Sarthak Paul also presented their views regarding the auspicious occasion.

Prof. (Dr.) Samir Kumar Samanta declared the sports meet open by kicking-off a goal. The sports committee under the leadership of Prof. (Dr.) Santanu Chakraborty and Dr. Manami Dhibar along with other faculties organized various games for the students like Spoon-Marble Race for girls, Tug of War for girls, Hit the Wicket. The participants of tug-of-war were divided into 2 groups namely Sarojini Naidu and Matangini Hazra. Team Matangini Hazra stood as the winner.

A football tournament was also organized for the students in which they participated with great enthusiasm and zeal. The teams were named as per the norms set by Ministry of Youth Affairs

and Sports, the names being Bhagat Singh, Netaji Subhash Chandra Bose, Khudiram Bose, Chandra Shekhar Azad. The spectators could see the enthusiasm and the brotherhood among the newly admitted students which was really remarkable. Team Netaji Subhas Chandra Bose came out with flying colours by winning the tournament.

The winners of Spoon-Marble Race are Swapna Mondal, Sushovona Sarkar, Hasina Khatun Mallick. The winners of Hit the Wicket are Sayan Pradhan, Kiran Malik, Subhabrata Chakraborty. The winners of Tug of War are Sriparna Das, Priti Bandopadhyay, Soumana Maity, Upatyaka Bhanja, Chandrima Parbat, Avantika Chatterjee, Sulagna Sarkar, Sanchayeeta Das and Hasina Khatun Mallick. The winners of the football tournament are Marsal Mandi, Sujan Bhui, Chandan Ghosh, Labanya Mahato, Ayan Mahanti, Sutanu Ghosh, Soumyadeep Majhi and Kiran Malik.

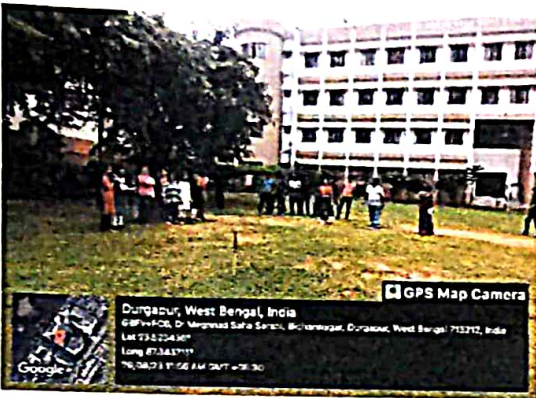

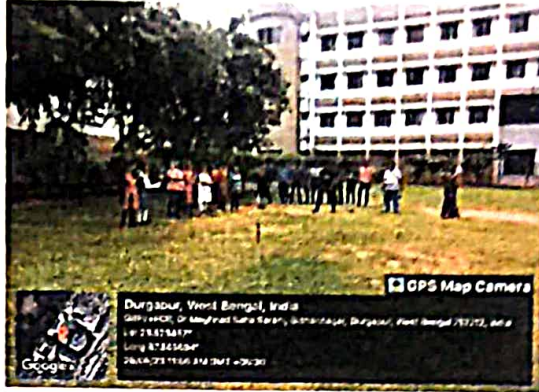

Dr. B. C. Roy College of Pharmacy and Allied Health Sciences was successful in conducting the National Sports Day with the cooperation of the Principal, Registrar and other faculty and staff members. It was unique to observe the unity and the brotherhood among the newly admitted students which developed in such a short span of time.

On January 12, the day of Swami Vivekananda's birth, people commemorate National Youth Day, also called Vivekananda Jayanti. It is the day to honor young people's contributions to society. The day also serves as a platform for inspiring young people to persist and set higher standards for themselves. The nation will undoubtedly advance if its youth commit themselves to the common good. The date of Swami Vivekananda's birth, January 12, has been observed as National Youth Day by the Indian government since 1985. The government's official statement said, "It was felt that Swamiji's philosophy and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth." It is predicted that 53% of India's population would be under 30, while 47% will be adults 30 years of age and beyond. Anybody between the ages of 18 and 29 is considered a youngster according to the youngster in India report, 2022. Based on this metric, as of 2021, 22% of India's population is

under the age of 25, making it the youngest nation globally. Approximately 260 million individuals in India are considered young nowadays.

The faculty, students and staff of Dr. B. C. Roy College of Pharmacy & Allied Health Sciences along with the NSS wing of the institution observed the auspicious day on 11th January, 2024 at APC Roy Seminar Hall. The program started with the garlanding of the portrait of Swami Vivekananda. Prof. (Dr.) Subhabrata Ray, Professor-in-Charge, PG Studies & Research, addressed the students where he spoke about the life of Swami Vivekananda, his teachings, his doctrines and inspired the youth to be responsible for the betterment of the society. He also spoke about how the writings of Swami Vivekananda has inspired him in the past and how they still on keep inspiring him in the present time. Mrs. Rituparna Chaki Ghosh also shared a short story about how Swami Vivekananda was selected as the youth figure. Events like elocution competition and banner competition were conducted in which the students actively took part. The topic of the elocution competition was "Youth for Global Harmony". Subhadeep Mukherjee, Nishu Roy, Shiwani Chaudhuri, Kajal Sapna Bakhla and Chandrika Sahoo, students of B. Pharm 3rd Year, participated in the elocution competition. Shiwani Chaudhuri secured the first position; Nishu Roy secured the 2nd Position and Chandrika Sahoo secured the third position. Subhadip Kundu, Anurag Dey, Sayan Ghosh, Subhadeep Mukherjee, Tiyasa Patra and Subhasish Karmakar participated in the banner competition. Anurag Dey and Subhadip Kundu secured the first position, Tiyasa Patra and Subhasish Karmakar secured the 2nd position, and Sayan Ghosh and Subhadeep Mukherjee secured the 3rd position.

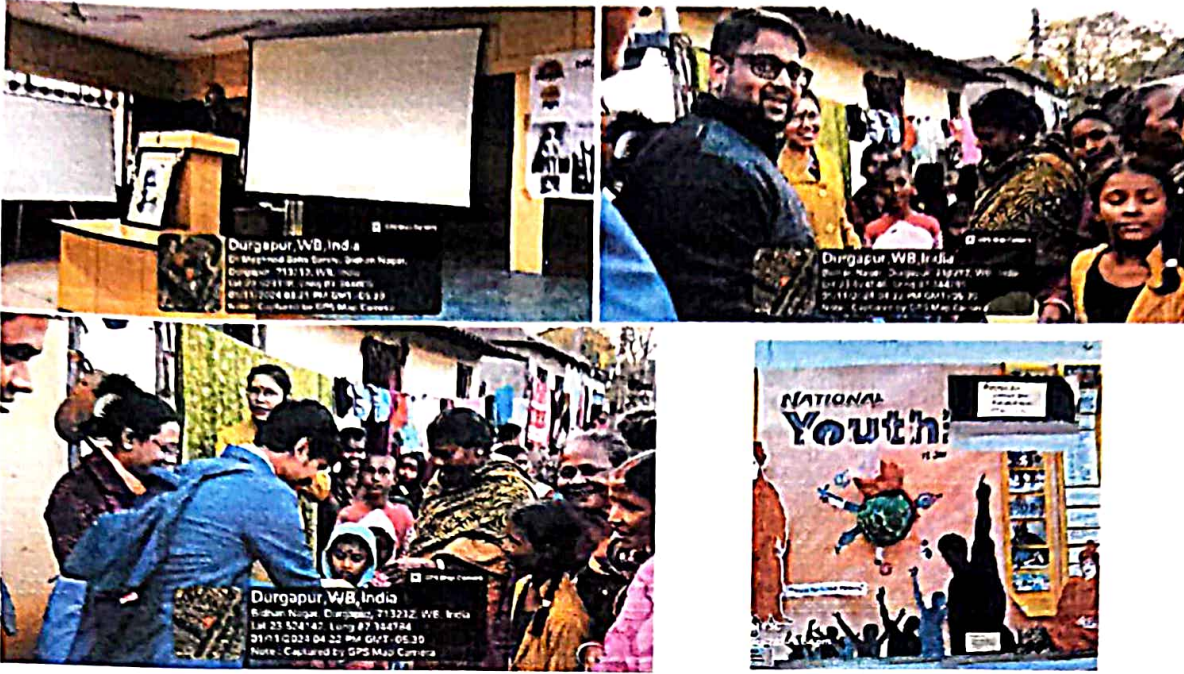

A winter clothing donation drive was also conducted where the youth of Dr. B.C. Roy College of Pharmacy & Allied Health Sciences collected and distributed warm woollen clothes among the needy children and adults of Amma Colony, Bidhanagar, Durgapur. Making the students aware of social responsibilities, Mrs. Rituparna Chaki Ghosh, the NSS coordinator, urged them to uproot social evils, corruption, communalism and forge harmonious relations with the people, irrespective of their caste, colour and creed. The drive was indeed successful in attaining the goal of rendering the cosy gifts of kindness to the generally ignored.

ORIENTATION PROGRAM

B.PHARM & M.PHARM BATCH 2023

17th August, 2023

Venue : APC Roy Seminar Hall

Dr. B.C. Roy College and Pharmacy and Allied Health Sciences conducted the Orientation Program for the newly admitted B. Pharm Batch and M. Pharm of 2023 on 17th August, 2023 in APC Roy Seminar Hall.

The orientation program started with the arrival of the dignitaries to the dais which was followed by the lighting of the ceremonial lamp and an opening song sung by a 2nd year student. The orientation program was inaugurated by Honourable Principal, Prof. Dr. Samir Kumar Samanta in the presence of the chief-guest, Prof. Dr. Saikat Maitra, Advisor, BCREC Society, the Registrar, Professor- in Charge, PG Education & Research, the Divisional In-charges, and other teaching and non-teaching staff of the institute. In his inaugural speech, the Principal addressed the new entrants with his blessings for their new journey in their respective courses. Prof. Saikat Maitra, Advisor BCREC Society, in his address to the students kept forward certain aspects of student life which will benefit the students in the long run. He made them understand the importance of listening, the difference between active and superficial listening, why a student should actively listen and participate in class, the need of the society, the role of a pharmacist as a whole, why a student should be focused and the importance of goal setting in

life. He also commented on how, in different stages, a student should work to achieve their goals. He ended his speech with a short motivating message which indeed inspired the students.

Prof. Dr. Subhabrata Ray, Professor-in-Charge, PG Studies and Research also addressed the students where he elaborated the various infrastructure facilities and the opportunities available to the students which they can explore at Dr. B.C. Roy College and Pharmacy and Allied Health Sciences. Mr. Sobhon Bose, In-charge exam cell addressed the students regarding the examination activities and the mentor-mentee systems where all the students were introduced to their respective mentors. The Registrar of the institute, Mr. Sagar Sengupta in his address, explained the code of conduct to the students. This was followed by the formal introduction of the students and the academic prize distribution.

The post lunch session of the orientation program started with a short cultural program conducted for the new commers. Dr. Abhik Si, the chief mentor addressed the students regarding the mentor-mentee system. He informed the students about how the mentor-mentee system works, their roles and responsibilities, the criteria to be fulfilled. The students were also introduced to their respective mentors. Mr. Sanjoy Chatteraj, TPO, BCRCP informed the students about the different training programs and the placement details of the college. The orientation program also gave a platform to the new entrants for their formal introduction to the gathering and their aspirations from the course. The orientation program is always a joyous day as the institute is pleased to welcome the students into the BCRCP fraternity. The program ended with the delivery of vote of thanks by Prof. Dr. A. K. Ghosh.

With a Seminar

on

**“Pharmacist’s Role in Strengthening Health System: Boosting Public
Confidence on Pharmacovigilance and on Organ Donation ”**

Organized by
IQAC, BCRCP

Speaker
Dr. R. S. Thakur
Former Registrar, PCI

22nd September, 2023, 10:30 am
Venue: Acharya P.C. Roy Seminar Hall

Medicines and vaccines have transformed the prevention and treatment of diseases. In addition to their benefits, medicinal products may also have side effects, some of which may be undesirable and / or unexpected. Pharmacovigilance is the science and activities relating to the detection, assessment, understanding and prevention of adverse effects or any other medicine/vaccine related problem.

Dr. B. C. Roy College of Pharmacy & Allied Health Sciences also celebrated the 3rd National Pharmacovigilance Week and the World Pharmacist Day with a Seminar on “Pharmacist’s Role in Strengthening Health System: Boosting Public Confidence on Pharmacovigilance and on Organ Donation”, which was organized by the Internal Quality Assurance Cell (IQAC), BCRCP, the venue being APC Roy Seminar Hall. The speaker for the day was Prof. Ram Sharnagat Thakur, former Registrar, Pharmacy Council of India.

The program began with the welcoming of the dignitaries on to the dais, which was followed by the inaugural address of the IQAC Chairman Prof. Dr. Samir Kumar Samanta, Principal IQAC. Dr. Subhabrata Ray, Professor-in-Charge, PG Education & Research and the IQAC Coordinator also addressed the students where he gave a brief information about pharmacovigilance, its needs and importance, the significance of World Pharmacist’s Day and

Prof. (Dr.) Samir Kumar Samanta

Principal
Dr. B. C. Roy College of Pharmacy & AHS
Durgapur, West Bengal-713206

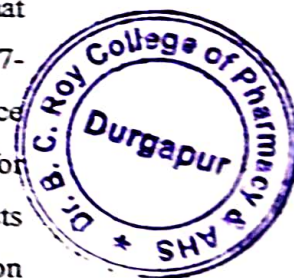

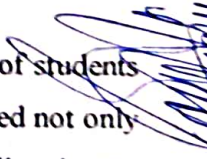

its current theme. He also introduced the speaker and asked the students to gather as much as knowledge they can from the resource person.

As the selected theme of World Pharmacist's Day for 2023 is "Pharmacy strengthening health systems", Dr. Thakur discussed about the National Health Policy 2017 where he spoke about the aim and objectives of the same. He spoke on preventive, promotive, curative, rehabilitative services provided through public health centre, the role of Pharmacist in National Health Policy, the need for improving the public centre capacity for manufacturing essential drugs and vaccines, anti-microbial resistance, i.e., use of antibiotics in poultry farm and the use of pesticides, the mid-level service providers in pharmacy, the paramedical skill development for a pharmacist, professional education regulation, drug regulation, medical technological advancement, the role of central and state government in regulating health, the public healthcare structure in India and the National Public Health system of National Rural Health Mission.

Dr. Thakur also expressed his views on Pharmacovigilance. He made the students understand in a very simple manner the importance of pharmacovigilance. He informed the students about the safety aspect of the drugs that were taken into consideration after the Elixir Sulphanilamide disaster and also about the thalidomide disaster and its after effects. Through his discussion on Kefauver- Harris Drug Amendment of 10th October 1963, the students gained knowledge that this amendment ensured reassessment of all medicines of US Market licensed between 1937-1942 for safety and efficacy. He also commented and elaborated on the Pharmacovigilance indicators of the World Health Organization, the strategy of the World Health Organization for monitoring a country's pharmaceutical situation. He also discussed the role of Pharmacists associated in different sectors. At the end Dr. Thakur also spoke on World Organ Donation Day in order to raise awareness about the importance of and help people understand organ donation. Organ transplantation can help in saving and transforming the lives of people who have been fighting to survive.

The students seemed to have enjoyed the session very much as a large number of students actively became a part of the seminar. The seminar was an interactive one. It enabled not only the students but also the teachers to gain knowledge on different spheres which will make the

A REPORT ON RABINDRA JAYANTI OBSERVED ON 7th MAY, 2024.

“Hey Nutan, Dekha Dik Aar Bar Jonmer Prothom Subhokhon!!”. On Pochishe Boishakh every year, Tagore’s followers and admirers worldwide mark the day singing the song that celebrates life. Just like the song, set in morning raga Bhairavi, welcomes the dawn and prays for the auspicious moment of birth to return, like the sun rises every day displacing all morning haze and mist, 25 Baishakh marks the beginning of a new era with the birth of Rabindranath Tagore, a novelist, poet, writer, and philosopher. Born to Sarada Devi and Debendranath Tagore on 7th May 1861 in Jorasanko Thakurbai in Kolkata, Tagore is an integral part of the Bengali psyche and omnipresent in the art and culture scene of Bengal. Tagore was a historical pinnacle, after which everything was a kind of a decline. There is no doubt that Tagore remains one of modern India’s finest artists and thinkers and also one of the few Bengali polymaths of the last two centuries.

The faculty, staff, and students of Dr. B.C. Roy College of Pharmacy & Allied Health Sciences also celebrated the auspicious occasion on May 7, 2024, at APC Roy Seminar Hall. The program began with an inaugural address by Prof. Samir Kumar Samanta, Principal, BCRCPC, who spoke about Tagore, his life, his contributions, and how Tagore is an inspiration for Prof. Samanta. The inaugural address was followed by an inaugural song sung by a student of B.Pharm. 1st year. The students also paid homage to the omnipresent poet through their songs, recitations, dance performances, and speeches. The faculties also

A REPORT ON REPUBLIC DAY CELEBRATED ON 26TH JANUARY, 2024.

On January 26, 1950, India proclaimed itself a republic and the Constitution went into effect. This day is commemorated in India every year as Republic Day. After India obtained independence from the British in 1947, the Constituent Assembly, led by Dr. B.R. Ambedkar, created the Constitution. It was actually a planned action: the 26th of January was declared India's "Independence Day" in the beginning, as part of Mahatma Gandhi's numerous symbolic actions during India's fight for independence from British colonial rule. The date of the Constitution's adoption was chosen to emphasize its original meaning, which called for Indians of all ages to declare their independence from the British Raj.

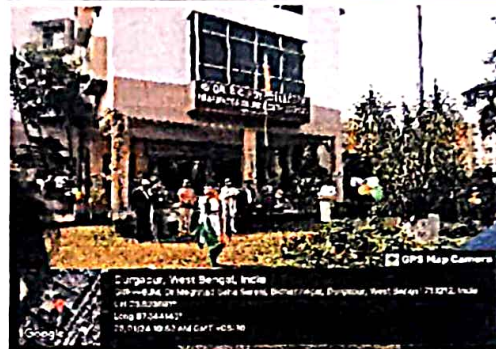

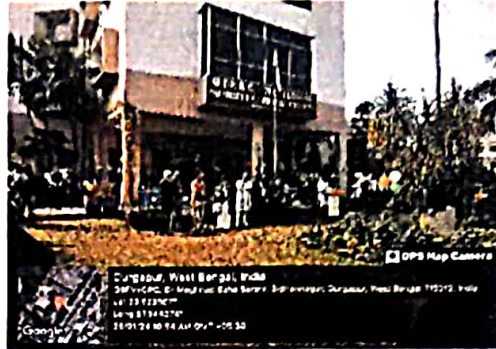

The Management, Faculty members and the staff members successfully celebrated the 73rd Republic Day Program on 26th January, 2023 in the college premises in association with NSS Wing BCRCP. The program began with the ceremonial escort of the President, Vice-President, Principal BCRCP, Principal BCRP and the Registrar of the institution to the flag stand which was followed by the Unfurling of the tricolour by the principal of both the colleges and singing of the National Anthem by the Faculty and Staff members. Prof. (Dr.) Samir Kr. Samanta, Principal BCRCP, addressed the audience where he spoke about the need of the constitution, how it was drafted, the contribution of the eminent leaders, and the ideas of equality, fraternity and unity in diversity. Prof. (Dr.) Chandan Kr. Ghosh, Principal BCRP also addressed the audience and shared his views on the toil of the freedom fighters, the ordinary humans for achieving independence and also about the significance of the day. This was followed by dance performances performed by the students of BCRP. A patriotic song sung was sung by Mrs. Shusruta Chakraborty, Assistant Professor, BCRCP. The program ended with a vote of thanks delivered by the Aniruddha Lahiri, Assistant Professor BCRCP, followed by the distribution of sweet packets.

A REPORT ON SARASWATI PUJA CELEBRATED ON 14TH FEBRUARY, 2024.

The festival of Saraswati Puja, which honours the goddess of wisdom and enlightenment, is one of the most awaited occasions listed in BCRCP's event calendar. This year, when we came together to commemorate this historic event, the excitement among the students and staff was evident. In our college, Saraswati Puja is very important because it highlights the value of education and the quest for knowledge. Students view this day as a chance to ask Goddess Saraswati for her blessings. It is thought that she bestows knowledge, creativity, and wisdom onto her followers.

This year the premises of Lokenath Temple was chosen as the venue for celebrating the grand event. The puja began in the presence of Sri. Sagar Sengupta, Registrar, Mrs. Rituparna Chaki Ghosh, Chairman Event Management Committee, other faculties and staffs and the members of the management. Various rituals like Prana Pratisthanang, Arpanang, were conducted which was followed with the traditional 'Anjali,' where students offered flowers, and their

heartfelt prayers to the goddess and then Yajna. This ritual sets the tone for the day, creating an atmosphere of reverence and devotion. The B. Pharm final year students were the volunteers and took active participation in organizing the event.

Saraswati Puja is the celebration of education, culture, and community rather than merely a religious event. To make this day unique, the whole BCRCP fraternity- students, teachers, comes together. The occasion is replete with manifestations of the devotion towards Goddess Saraswati. At BCRCP, Saraswati Puja is a day of cultural and spiritual enrichment. It fosters a sense of cohesion and belonging among the students in addition to reiterating the value of education and knowledge.

A REPORT ON VEDYANTRA 2K24.

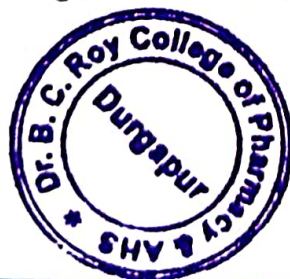

Celebrated on 17th May,

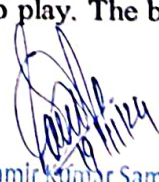

College cultural festivals are very important for students' general growth. Students' feeling of community is enhanced by cultural festivals, as they unite to organize and carry out events.

In conjunction with Dr. B.C. Roy Polytechnic College and Dr. B.C. Roy College of Pharmacy and Allied Health Sciences, Durgapur, a great festival called VEDYANTRA 2K24 kicked out on May 17, 2024, at Sriyani Auditorium, City Centre Durgapur. When they entered the auditorium, students from both colleges were thoroughly inspected, ensured they were appropriately attired for the event, and were given college busses to take them home. Students were given year-appropriate chairs and were provided with comfortable seating.

The function commenced with the dignitaries being greeted and escorted to the dais. Subsequently, the dignitaries and management personnel lit the ceremonial lamp and presented the dignitaries with bouquets of flowers and Uttariya. The students, faculty, and staff of both the colleges came up with many cultural performances. The audience was captivated by the melodic performance of the band TRAP, who was asked to play. The band performed a number of upbeat songs as the show came to a close.

A REPORT ON VIGYAN JYOTI PROGRAM CONDUCTED ON 11th JANUARY, 2024.

Dr. B. C. Roy College of Pharmacy & Allied Health Sciences arranged for an outreach program where the students of Jawahar Navodaya Vidyalaya were given an opportunity to visit the college premises and get primary knowledge about Pharmacy. The program began with the arrival of the students at the college campus from where they were taken to APC Roy Seminar Hall. The program started with the address of the Principal, Prof. (Dr.) Samir Kumar Samanta who gave a brief lecture on science and pharmacy as its component. He discussed with the students about what pharmacy is, the courses offered, and the different career aspects available. A visit was arranged for the students to the Dispensing Laboratory, Physiology Laboratory and the Herbal Garden in groups where they gained knowledge about how experiments are conducted with different chemical components and how drugs are formed. A demonstration of tablet preparation was also given to the students. The students enthusiastically participated in this programme, thereby making it a successful venture.

A REPORT ON VISHWAKARMA PUJA
CELEBRATED ON 18TH SEPTEMBER, 2023.

Festivals are a larger part of our life which occurs at regular intervals and helps in breaking the monotony of life. They give us a chance to celebrate the little and big things in life. Festivals are the carriers of peace and joy in the communities.

The students, teachers and the non-teaching staffs together celebrated the festival of Vishwakarma Puja with great enthusiasm, vigour and joy. The venue of the Puja was Netaji Open Air auditorium. The students with great enthusiasm participated in all the preparations of the puja. The puja started in the presence of the Principal, Prof. Dr. Samir Kumar Samanta, the Registrar, Sri, Sagar Sengupta, and the members of the management. Various rituals like Prana Pratisthanang, Arpanang, and Yajna were conducted, which was followed by the distribution of the Prasadam to all the devotees.

Dr. B.C. Roy College of Pharmacy and Allied Health Sciences have always been a promoter of unity and equality. Through the celebration of this festival, it has again proved the same. The college arranged for lunch for all the students, teachers and the non-teaching staffs where everybody irrespective of their designations sat together and heartily enjoyed their lunch. A short cultural program followed by a celebration of students were held post-lunch. The festival ended with a vote of thanks by the Registrar, followed by the visarjan of the Vishwakarma idol.

World Environment Day (WED) is observed yearly on June 5th to raise awareness and urge action for environmental conservation. It is supported by several non-governmental organizations, industry, and government bodies and serves as the major United Nations environmental outreach day. It began in 1973 and has served as a forum for raising awareness about environmental concerns such as marine pollution, overcrowding, global warming, sustainable development, and wildlife crime. World Environment Day is a global venue for public outreach, with over 143 nations participating each year. Every year, the program provides a subject and a place for corporations, non-governmental organizations, communities, governments, and celebrities to campaign for environmental issues. World

Environment Day was established in 1972 by the United Nations at the Stockholm Conference on the Human Environment (5-16 June 1972), that had resulted from discussions on the integration of human interactions and the environment.

Dr. B.C. Roy College of Pharmacy & Allied Health Sciences also observed World Environment Day on 5th of June, 2024 at the college campus where the Principal, Prof. (Dr.) Samir Kumar Samanta along with the students planted trees at various places around the college campus. He then addressed the students thereby telling them the need to plant trees and also the need to conserve land. The students enthusiastically took part in the tree plantation drive. The program ended with the distribution of tiffin packets amongst the participants.

Celebrates

WORLD HEALTH DAY

Theme: 'My health, my right'
76 years of World Health Organization

Venue: APC Roy Seminar Hall

8th April 2024. 4:30-5:30 pm

World Health Day is an annual worldwide health awareness day observed on April 7 by the World Health Organization (WHO) and other relevant organizations. The World Health Organization conducted its first World Health Assembly in 1948. The Assembly agreed that World Health Day will be observed on April 7th each year beginning in 1950. Every year, World Health Day is observed to commemorate the creation of WHO and is viewed by the organization as an opportunity to attract global attention to a topic of critical significance to global health. The WHO organizes international, regional and local events on the Day related to a particular theme. World Health Day is acknowledged by various governments and non-governmental organizations with interests in public health issues, who also organize activities and highlight their support in media reports, such as the Global Health Council. The theme of World Health Day in 2024 is 'My Health, My Right'.

The faculty, staff and students of Dr. B. C. Roy College of Pharmacy & Allied Health Sciences also celebrated World Health Day on 8th April, 2024 at APC Roy Seminar Hall. The program began with the welcoming of the dignitaries to the dais and the lighting of the ceremonial lamp. Prof. (Dr.) Samir Kr. Samanta, Principal, BCRCP presented the inaugural address where he spoke about the importance of having a good physical and mental health and that how good health has a positive impact on the overall development of an individual. The visiting doctor of The Mission Hospital Durgapur for the day, Dr. Mazaffar, also spoke about the different ways of maintaining good health. Prof. (Dr.) Subhabrata Ray, Professor-in-charge, P.G. & Research in his address to the students spoke about the role of pharmacists in helping people maintaining good health.

A debate competition was also conducted on the occasion of World Health Day at APC Roy Seminar Hall, the topic being "Artificial Intelligence is a welcoming change in Medicine". Students actively took part in the competition. The students were divided into 2 groups, each group consisting of 5 students. Each student was given 2 minutes time to share their thoughts which was followed by an open-session after the completion of the delivery of the students. The students who spoke for the topic were Oindrilla Nag, Koustav Jha, Kaushik Dutta, Poulami Maity and Soumyabrata Samanta and the students who spoke against the topic were Ankit Das, Anirban Adhikary, Somashree Mukherjee and Ayan Mondal. Aniruddha Lahiri, Assistant Professor, BCRCP, was the moderator of the event. The team which spoke against the topic won the competition and the award for the best speaker was presented to Somashree Mukherjee. The event ended with a vote of thanks delivered by Mrs. Rituparna Chaki Ghosh, Assistant Professor, BCRCP.

A REPORT ON WORLD MUSIC DAY CELEBRATED ON 21st JUNE, 2024.

**DR. B. C. ROY COLLEGE OF PHARMACY & AHS
DURGAPUR**
Organizes
World Music Day
Slogan
"Faites de la musique"
21st June'24
5:00 pm Onwards
Venue:
APC ROY SEMINAR HALL

World Music Day celebrates the diversity of musical expression. It's a day to break down cultural barriers and discover the beauty of music from traditions different from our own. As we lose ourselves in the rhythm, we're reminded of the common thread that binds humanity – our love for music. The day simply celebrates music in all its forms, from classical and traditional to contemporary and experimental genres. It encourages people to appreciate the rich tapestry of musical styles around the world. It also promotes inclusivity. With the slogan "Faites de la musique" (Make Music), it invites everyone, regardless of skill level, to participate and share their love of music thereby bringing people together.

Music has long been used as a source of comfort and solace in times of distress. It can provide a sense of connection, support, and understanding during difficult moments. The history of music in healthcare has shown that music can reduce stress, anxiety, depression, and even chronic physical pain. Listening to calming music can help people relax and focus on the present moment. Research has shown that listening to music can increase the release of dopamine, a neurotransmitter associated with pleasure and reward. This release can lead to feelings of happiness and enjoyment, which are often accompanied by the release of

endorphins. Research in the science of musical therapies has also suggested that certain types of music may improve cognitive function by stimulating areas in the brain related to memory recall and learning new skills faster than usual. Studies have shown that music can enhance connectivity between the auditory and emotional regions of the brain, which can facilitate memory encoding and recall.

The faculty and staff of Dr. B.C. Roy College of Pharmacy and Allied Health Sciences took a break from their hectic schedule to celebrate World Music Day at APC Roy Seminar Hall where they came up with various musical performances to celebrate the day.

A REPORT ON INTERNATIONAL YOGA DAY OBSERVED ON 21st JUNE, 2024.

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Yoga is more than a physical activity. In the words of one of its most famous practitioners, the late B. K. S. Iyengar, "Yoga cultivates the ways of maintaining a balanced attitude in day-to-day life and endows skill in the performance of one's actions." Today it is practiced in various forms around the world and continues to grow in popularity.

The faculty, students and staff of Dr. B. C. Roy College of Pharmacy and Allied Health Sciences also observed International Yoga Day on 21st June, 2024 at APC Roy Seminar Hall. The event began with the inaugural address of the Principal, Prof. (Dr.) Samir Kr. Samanta who spoke about the necessity of physical and mental well-being and how yoga can help in attaining the same. The session was then handed over to Mr. Tarun Mukherjee, yoga instructor. Under his guidance, the students, faculty and staff performed various asanas namely Ardhashchandrasan, Bhujangasan,

and Meghna Bowra secured the first position, Santanu Dey and Mistu Basuli secured the 2nd position and Rita Murmu secured the 3rd position in Chalachitra.

The most eye-catching and attention gaining event of ZENITH 2K24 was the food festival that was conducted in Netaji Open Air Auditorium. The 3rd year B. Pharm students of BCRCP set up food stalls and made available for the guests different varieties of food and drinks which were pocket friendly, tasty and healthy. The guests as well as the teachers, students and staffs enjoyed the delicacies prepared by the students. The food festival brought forward the innovativeness of the students and also their entrepreneurial traits, thereby encouraging them to take risks in the future and delving into business.

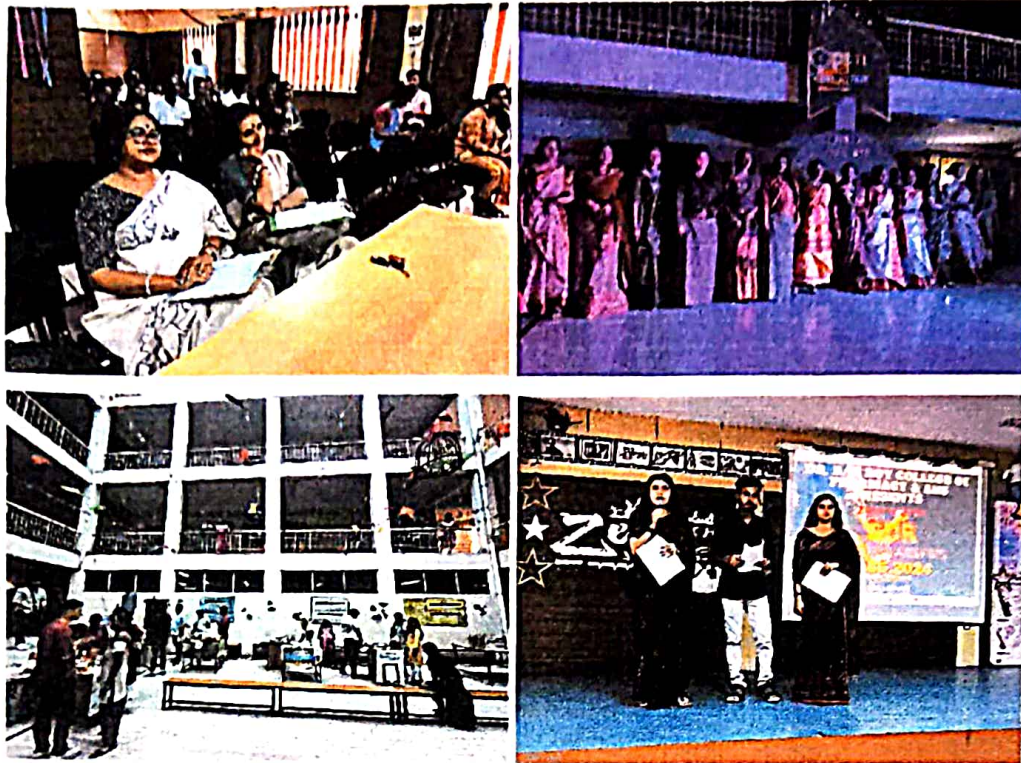

The post lunch session was the valedictory session where prizes were distributed amongst the winners of the different Technical and Cultural competitions. Prizes were distributed by the faculties and the staffs thereby encouraging the students to participate more in events in the near future. Prize distribution was followed by "Treasure Hunt", a game in which students had to hunt a hidden treasure by collecting the hidden clues. Students of D. Pharm, B. Pharm and M. Pharm enthusiastically took part in the game. The students were divided into groups. The competition was a tough one and each team strived hard to win the game. The students of M. Pharm 2nd year won the game. The winners of "Treasure Hunt" were Partha Pratim Bez, Anupam Bera, Rajib De, Akash Mondal. The last event of Zenith 2K24 was the Ramp Walk where the students presented themselves in the different Royal attires. The winner of Ramp Walk were Sourav Mukherjee of M. Pharm and Anindita Das of B. Pharm. Zenith 2K24 ended with a common dance performance of the students.

A REPORT ON TECHNICAL FEST [ZENTECH 2K24]

Celebrated on 15th May, 2024.

The Annual Technical Fest [ZENTECH 2K24] was held on May 15, 2024, with the goals of giving students a break from the hectic campus life and encouraging them to participate in technological activities where they may display their abilities. The highly anticipated Techfest took place on the BCRCP campus, and this year there were a number of events planned, including Q-RIOSITY (Quiz), CONFLICTO (Debate), Tech-Talk (Oral Presentation), Tech-Wall (Poster Presentation), and Innova (Scientific Model Presentation), all with the goal of giving students a stage on which to display their skills in a competitive manner. Students actively participated in all the events and presented their work. The fest executed with a total of 5 events planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by best coordinators keeping the interest and need of the student into consideration, with little emphasis on the fun full events behind the scene.

The inaugural session of the technical fest began at APC Roy Seminar Hall with the lighting of the ceremonial lamp which was followed by an opening song sung by Sagnik Banik, a student of B. Pharm student year. Prof. (Dr.) Samir Kr. Samanta, Principal, BCRCP,

delivered the inaugural address where he spoke about the importance of tech-fests and how innovativeness leads to the success of an individual. He motivated the students to actively take part in the Technical Fests and congratulated all the participants thereby declaring the fest open. The session was then handed over to Mr. Sandipan Kundu, Technical Director, Grifols India Pvt. Ltd, presented a technical talk on "An Overview of Opportunities and Research Guidelines". He focused on indication for a new treatment, The Phases of Clinical Trial, The Regulatory Affairs, Pharmacovigilance, Safety Reporting of the Drug, among other topics. The session was engrossing and had been successful in enriching the knowledge of the students in the different fields of industry.

The Technical Talk was followed by "Conflict", debate competition, which was conducted in APC Roy Seminar Hall, the topic of which was "OTC Medicines should be sold in supermarkets. 11 students took part in the competition and were divided into 2 teams. The team that spoke for the topic consisted of 5 members and the team that spoke against the topic consisted of 6 members. Each student was given 3 mins of time to deliver their opinion which was followed by a question-and-answer session at the end of the discussion. The students actively took part in the competition. Ayan Mondal of B. Pharm 1st year, Nishu Roy and Ritwik Pramanik of B. Pharm 3rd Year, Surya Kanta Routh and Surya Mondal of M. Pharm 1st year spoke for the topic. Anirban Adhikary of B. Pharm 1st Year, Ankit Das of B. Pharm 2nd Year, Saikat Das, Shreya Sarkar, Kajal Sapna Bakhla and Shiwani Chaudhuri spoke against the topic. Mr. Aniruddha Lahiri, Assistant Professor, BCRCP, was the moderator of the event. The team who spoke against the topic won the competition and the first position was secured by Ankit Das.

"Innova", The Scientific Model Presentation, was conducted in Netaji Open Air Auditorium. Students of D. Pharm, B. Pharm enthusiastically took part in it. The students were divided into a group of maximum 3 members. Students presented various scientific models related to research in Pharmacy. Subhasish Koner, Tiyasa Patra, Meghna Bowra, Sayoni Saha, Shubham Kumar Giri, Dipendu Mahato, Shiwani Chaudhuri, Prasansha Pradhan, Aindrilla Dutta, Mampi Nag, Soumyabrata Samanta, Sanchita Kundu, Rik Karak, Mistu Basuli, Santanu Dey, Sabyasachi Pati, Koyel Nandi, Subir Maity, Sushrata Saha, Sayan Karmakar, Aritra Kr. Pal, Nirmita Kundu, Samriddha Bagchi, Sumit Sau, Abir Bhui, Sarthak Pal. The first position was secured by Rik Karak, the second position was jointly secured by Shiwani

Chaudhuri, Prasansha Pradhan and Dipendu Mahato. The third position was jointly secured by Subhasish Karmakar and Tiyasa Patra.

The students also enthusiastically took part in "Tech-Talk", an inter-college oral presentation that was conducted in APC Roy Seminar Hall. Students presented presentations on Modern Strategies in Drug Discovery & Development. Each student was allotted 6 mins time to deliver their presentation. Pyeorima Maji, Nishu Roy, Sankhadeep Mandan, Oindrilla Nag, Shiwani Chaudhuri, Ankit Das, Nirmita Kundu, Samriddha Bagchi, Ayan Mondal and Kushal Saha took part in the competition. Pyeorima Maji secured the 1st position, Nirmita Kundu secured the 2nd position and Samriddha Bagchi secured the 3rd position.

The inter-college poster presentation "Tech-Wall" was conducted on the theme "Nutraceuticals in Health Care". Posters were presented by several enthusiastic students such as Subhasish Karmakar, Sumit Sau, Sayoni Saha, Meghna Bowra, Shiwani Chaudhuri, Sankhadip Mandal, Bratin Roy, Ankit Das, Mohini Modak, Rajiv Yadav and Sougata Sinha. Subhasish Karmakar secured the first position, Shiwani Chaudhuri and Dipendu Mahato secured the second position and Sayani Saha and Meghna Bowra secured the third position.

A Quiz Competition named "Q-RIOSITY" was also conducted at APC Roy Seminar Hall. More than 100 students enrolled themselves to take part in the quiz competition. A screening session was conducted from where 10 students were selected for the final round. 2 participants were grouped into a team, thereby making 5 teams in total. Tanmoy Das and Sanjukta Das of M. Pharm final year secured the 1st position, Ranadeep Bose and Soumyadeep Guha of B. Pharm final year secured the 2nd position and Abhik Sarkar and Koustav Jha of B. Pharm 2nd year secured the 3rd position.

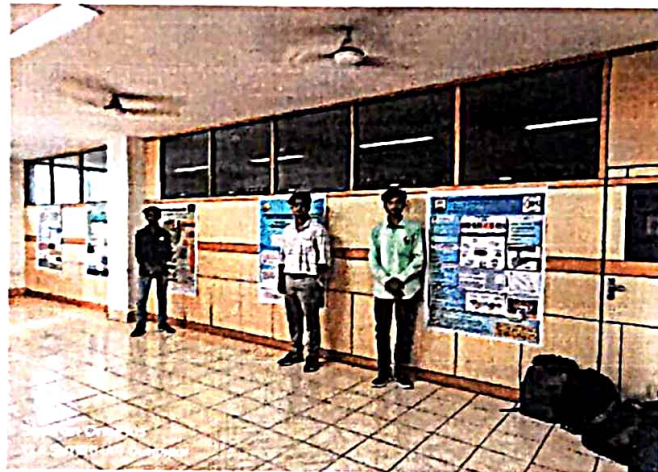

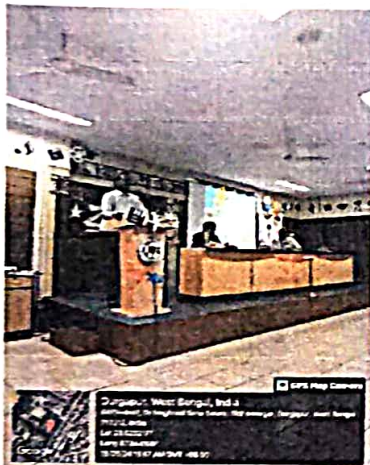

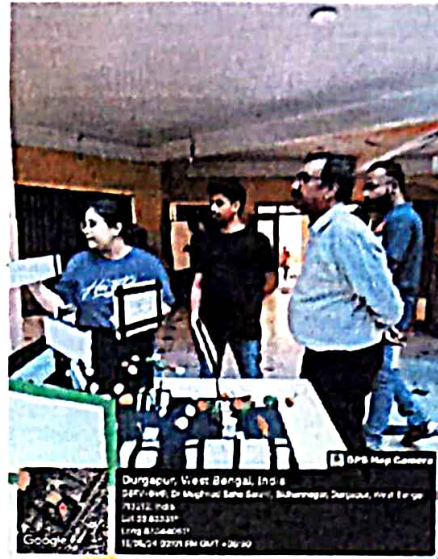

The annual technical fest ended with a vote of thanks delivered by Mrs. Rituparna Chaki Ghosh, Assistant Professor, BCRCP.

Event Report-2024

Dr. B. C. Roy College of Pharmacy and Allied Health Sciences successfully organized the Annual Games and Sports Day on 24th and 25th January 2024 in the college campus. On 24th January 2024, the program began with the lighting of the ceremonial lamp by Mr. Tarun Bhattacharya, General Secretary, BCREC Society, Prof. (Dr.) Samir kumar Samanta, Principal, and other faculty, staff members and students of Dr. B. C. Roy College of Pharmacy and AHS also joined this inaugural ceremony. Mr. Tarun Bhattacharya, General Secretary, BCREC Society declared the sports meet open by playing a round of carrom doubles along with other professors of the college. The two-day sports events for Annual Games and Sport 2024 have been conducted under the leadership of Prof. (Dr.) Santanu Chakraborty (Professor, BCRCP) and Dr. Manami Dhibar (Assistant Professor, BCRCP). This year students of B. Pharm., 3rd year have taken the initiative to conduct this year's Annual Games and Sports. On 24th January 2024, the college organized some events like Carrom Doubles, Table Tennis, Shot Put, and Discus Throw for the students as well as for the faculty and staff members of the college.

On 25th January 2024, the festivities kicked off with a grand opening ceremony marked by a traditional ribbon-cutting ceremony by Prof. (Dr.) Samir kumar Samanta, Principal and other faculty members of Dr. B. C. Roy College of Pharmacy and AHS along with the hoisting of the sports flag of our college by Prof. (Dr.) Samir kumar Samanta, Principal and Mr. Sagar Sengupta, Registrar of the college followed by the National Anthem. Principal and Registrar of the college had jointly light the torch and commenced the events of the day. Prof. (Dr.) Samir Kumar Samanta, Principal of the college delivered the inaugural address. In his address, the Principal spoke about the importance of observing such a day as well as congratulated the attempts of all those who organized the wonderful event. He also said that the primary objective of Sports Day is to promote the importance of sports and encourage people to be physically active along with the importance of sports in our lives. Approximately 250 students from D.Pharm., B.Pharm., and M.Pharm., were actively participating in different events like 100 m Race (boys), Math Race (boys), Memory Race (girls), Spoon Marble Race (girls), Break the Pot (girls), Mixed Relay race, and Tug of war (boys). Special events like tug-of-war, mixed relay races, and break the pot added a touch of fun and camaraderie. These events not only brought out the competitive spirit but also fostered teamwork and collaboration.

The event concluded with a grand closing ceremony, where outstanding performers and teams were recognized for their achievements. The extinguishing of the flame marked the end of two days filled with sportsmanship, passion, and unity. The Annual Sports Day of 2024 was an outstanding success, fostering a sense of healthy competition, teamwork, and sportsmanship among the students. It provided a platform for students to showcase their athletic abilities and also develop their skills. The event wouldn't have been possible without the dedication and hard work of the organizing committee along with teachers, volunteers, and the enthusiastic participation of the students.
