

REPORT ON STUDENT ATTRIBUTES FACILITATED BY THE INSTITUTION

In order to instil the core values of the College, the following student attributes are facilitated:

- i. Students are facilitated into becoming independent professionals with a deep sense of professional ethics and commitment to nation building.
- ii. College strives to instil the sense of global citizenship through encouragement to go for higher education for achieving their intended goals in life so that they rise to pinnacle of glory at the world stage.
- iii. The message of human values such as loyalty, honesty, respect for women, tolerance for all, social responsibility and inclusiveness, and national integrity are provided through organization of regular events as well as imparting Universal Human Values education during Induction and through implementation of Mentor-mentee system.
- iv. The sense of social responsibility is instilled through encouragement to involve themselves in various extension activities, such as NSS, Blood donation, Tree plantation, Health camps, visit to orphanages and NGOs, contribution to charities, rural empowerment, relief work, etc. The MAR activity initiated by the University facilitates active student participation in these activities.
- v. To support students become Entrepreneurs, the E-Cell of the college encourages students to take up Entrepreneurship courses in collaboration with Wadhvani Foundation (part of National Entrepreneurship Network) so that instead of job seekers, they become job creators and contribute to nation building. This also enhances the leadership. Planning and execution abilities of the students.
- vi. Dr. B. C. Roy College of Pharmacy and Allied Health Sciences is “Committed to Excellence” not only in the field of education, but also in building complete professionals who will be future asset for our great nation.
