Dear Prof. Maity

In continuation of our phone conversation where you mentioned the possibility of holding a BOS on 12/13th July to discuss the legal aspects of change of syllabus of Pharmacy as per PCI guidelines, I placed the issue to our honorable Vice-Chancellor.

The response of our honorable Vice-Chancellor was that the University legal advisor is yet to file a report. Unless the report is received, no further action/meeting is possible. Hence, the BOS cannot be held on 12/13th July 2017.

Best regards
