DRAFT

BOARD OF STUDIES MEETING OF PHARMACY HELD ON 05.04.2020

The following resolutions were drawn in the meeting held at 11.00 am.on April 05, 2020 through Conference Call

1. The Industrial training of B.Pharm, 8thsemester students almost completed. The 15 days training schedule is mandatory as per PCI curriculum. The students are not entitled to register PCI without training.

2. The Practical curriculums of B.Pharm have been covered apprx. 50%before “Lockdown”. It is suggested that rest of the classes will be replaced by relevant YouTube demonstration of different even semesters. It has been decided that the following members will take the responsibility to execute the same
 - I) Dr. N.N. Bala - 2nd Semester
 - II) Dr. Subarata Chakraborty – 4th Semester
 - III) Dr. Kalyan Kumar Sen – 6th Semester
 - IV) Dr. Abhijit Sengupta – 8th Semester

3. The Projects of M.Pharm final year students are completed more or less except in-vivo study. It is decided that 15 days are required to complete the project after “lockdown”. If it is not possible within time then students are advised to write review article in PG level.

4. Notification has been issued by COE, MAKAUT that the students will upload the contents day to day. In this context, it is observed that apprx. 20% students are not able to access virtual classes (on-line classes) due to remote location. The affected students will be considered by resolving the issue.
