**Dr Souvik Basak**

Associate Professor

Dr. B.C. Roy College of Pharmacy and Allied Health Sciences Durgapur,  
West Bengal, India

Dear Dr Souvik Basak,

**Task Confirmation Letter**

In order to promote scientific research collaboration, ensure the interests and trust of both parties, this letter is intended to serve as a formal agreement between you and Innoscience Research Sdn. Bhd. for research collaboration of:

**This cooperation agreement consists 1 project. The total amount of the grant is 880 USD. It is hereby stated that 20% of the total amounts (that is 176USD) paid in advance.**

**Note: Given the preciseness of the research work, please save all original experimental data. When the project is accepted by the journals (SCI), Dr Souvik Basak must send all original data to Innoscience Research in one time.**

No.	Project Title(s)	Targeted Impact Factor	Deadline of Article Acceptance
1	Targeting Mangiferin loaded Succinylated chitosan assembly nanoparticles against atherosclerosis in rats. Author position for collaborator: -Sole 1 <sup>st</sup> author- Ying Wang. Author positions for Dr Souvik Basak: -Corresponding author and the rest of the possible author positions are assigned by Dr Souvik Basak	1-2	2020.07.04

Dr Souvik Basak agrees to run a research collaboration with us. The work will take approximately **10 months** that will commence from **17<sup>th</sup> Sept 2019 to 04<sup>th</sup> July 2020**. With this confirmation letter, Dr Souvik Basak is responsible for project design, laboratory work, manuscript writing and publication. Dr Souvik Basak is allowed to change the project title slightly according to your convenience and preference, however, the title should be agreed by us. Dr Souvik Basak should also be noticed that the targeted impact factor of SCI indexed journals for this project and the deadline of research paper acceptance are as stated in the table above. During this collaboration period, we will request project progress update fortnightly. Dr Souvik Basak should inform and discuss the solution with Innoscience Research Sdn. Bhd. **one month earlier** if Researcher's article is unable to be accepted in stipulated deadline. The research article should be submitted to SCI indexed journals and Dr Souvik Basak must provide the targeted journal name prior to submission in order to prevent unnecessary conflict henceforth. Dr Souvik Basak should also provide ID and password of the submitted journal's website for us to track the manuscript's status periodically. The article publication charges for the above-mentioned project will be paid by collaborator – Ying Wang.

I, Guo Feng, on behalf of Innoscience Research Sdn. Bhd. (1203481-M), agree to pay according Research Funding per manuscript. Out of total funding **(USD 880)**, **20% will be paid as a down payment before manuscript submission. Another 20% of the total funding will be paid after Dr Souvik Basak shows us the proof of submission (under review). We will continue to pay 40% of the total funding after the article is accepted by journal (we only accept SCI cited journal). The remaining 20% of the funding will be paid after the article is published online.** Which fulfilled the requirement of I, Dr Souvik Basak is fully responsible for journal acceptance of collaboration project's research article. I, Guo Feng, have read the previous research articles of Dr Souvik Basak and find them satisfactory, and expect that the research and article writing will be professionally done. If, for any reason, or if the research article is not accepted by journal, which do not fulfill the requirement of Guo Feng on the date stipulated above, I will withhold the payment until the work is completed.

**Postscript:**

1. Researcher should inform Company within nine (9) months if Researcher's article unable to

- be accepted within ten (10) months and discuss the solution with Company.
2. If Researcher do not inform Company and Researcher's article is not accepted within eleven (11) months, Researcher will receive warning from Company.
  3. If Researcher's article is not accepted within twelve (12) months and does not inform the progress of the research article to Company, the fund standard would decrease by 10% according Fee per manuscript. The fund standard would continuously decrease by another 10% according Fee per manuscript in every following two (2) months.
  4. If Researcher does not reply or inform the project progress to Company for more than three (3) months or the project is not complete (journal acceptance of project's article) , Researcher should refund the amount of funding received to Company if Researcher had received the research funding payment from Company.

Please sign the enclosed copy of this letter and return it to me.

Yours faithfully,

**Innoscence Research Sdn. Bhd.**
