E-WEEK CELEBRATION 2018

15TH FEB 2018

Report

E-Cell BCRCP, organized E-week celebration in the presence of Our Director Sir, Dr. Subhrata Chakraborty, Principal Sir, Dr. Subhabrata Ray, Senior Faculty, Dr. Anjan De, Our E-cell Faculty Leader 1, Dr. Indrani Bhattacharyya and our Faculty members. The students of 3rd Year and final year were the active participants in this E-week celebration.

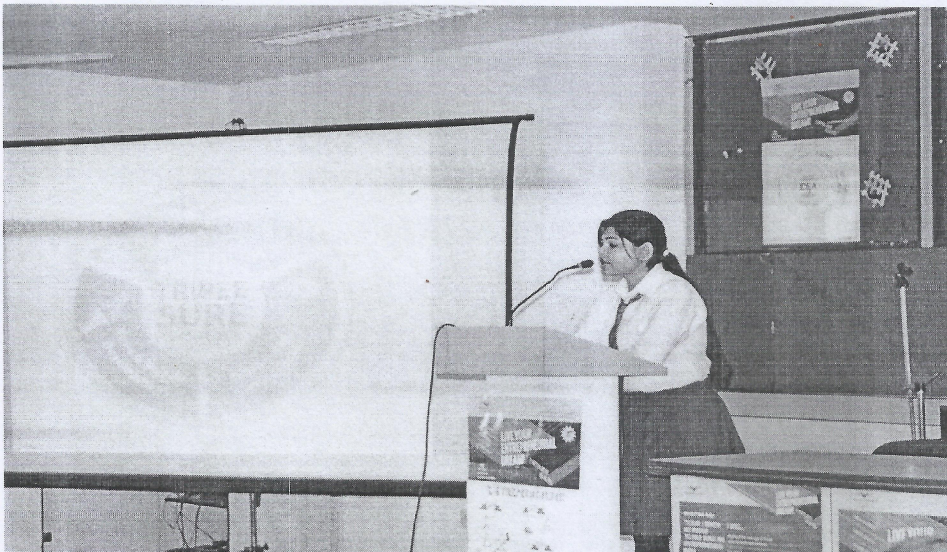

The session began with the oath taking ceremony of taking Entrepreneurship to greater heights. The Entrepreneur's Pledge is a commitment by sustainable-thinking entrepreneurs to dedicate their entrepreneurial gift to found at least one business that will have a positive impact on environmental and social challenges and re-invest 50% of the profits to further its cause.

After the pledge taking session, Dr. Subhabrata Ray, Principal BCRCP introduced the importance of E-cell BCRCP and its emergence. Few glimpses of fast events of E-cell BCRCP were presented with various snapshots.

Our scheduled programme continued with a competition where four groups were formed. The participants had their own company name and all the audience were motivated to buy their product.

Team 1: Zinataman Sarkar and team

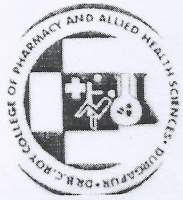

Team 2: Arpita Mishra and team

Team 3: Ramandeep Kaur

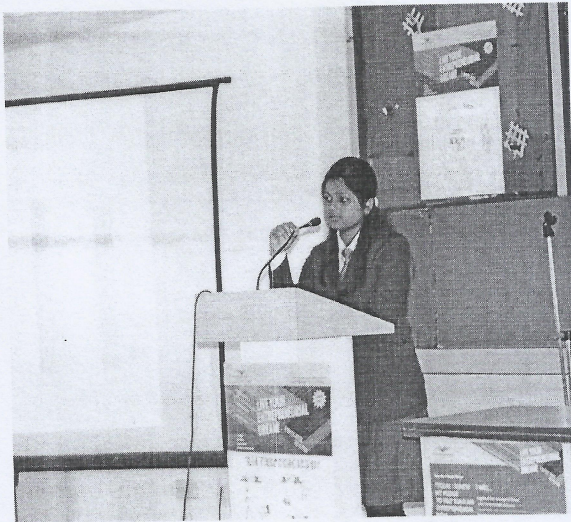

Team 4: Sourav Roy

Team 1: Company Name- Triple Sure Protein Powder, They gave pamphlets and discussed the benefits and cost effectiveness of their product by their presentation. They also distributed

additional pamphlets in order to convince the judges (Dr. Subhro Prakash Bhattacharyya, Dr. Santanu Chakraborty and Ms. Puja Mishra) and the students. They also discussed their cost revenues and annual turnover and sale strategy.

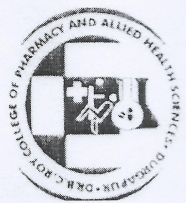

Team 1 (Abott Nutrition) had to face counter questions from the audience which they defended effectively.

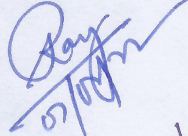

Next team, Arpita Mishra and her team launched an app which could understand the mood of any human being based on his/ her daily activities and could help people to communicate effectively. She described the usage of this app and was pretty sure that this app could bring people closer as this could analyze human behaviour properly and help humans to communicate effectively.
