ANNUAL MAINTENANCE CONTRACT FOR YOUR CUMMINS DG SET

02000000212141

Date 22/06/2020

This contract is entered into between Garuda Power Private Limited, having its head office at Kolkata and Divisions Asansol, Siliguri, Rourkella, Korba, Rampurhat, Tezpur, Jorhat, Guwahati, Tinsukia, Silchar and Tripura who are the Authorized Service Dealer of Cummins India Limited, Pune, herein after referred to as the 'SERVICE PROVIDER' which expression unless repugnant to the context or meaning there of shall mean and include its successors and assigns and Ms Dr B.C Roy college of Pharmacy and Allied Health Science, Dr Meghnad Saha Sarani, Bidhan Nagar, which expression unless repugnant to the context or meaning thereof shall mean and include its successors and assigns.

Whereas the contract is engaged in the business of providing after sales service to Cummins Engines and parts thereof and Diesel Generating sets fitted with Cummins Engines.

Whereas the 'CUSTOMER' is the owner of Diesel generating set fitted with Cummins Engine

Whereas the 'CUSTOMER' has requested to the 'SERVICE PROVIDER' to provide after sales service to the DG Set fitted with Cummins products owned by the customer & installed at Customer Premises/ plant/ factory as per the Price

Now therefore this contract is entered into between the 'SERVICE PROVIDER' and 'CUSTOMER' on the following terms and conditions:

DEFINITIONS:

- 1. "D.G. Set" means Diesel Generating set fitted with Cummins Engine & Main Alternator and LHP panels.
- 1. "Day" Means eight hours or part thereof.

MAINTENANCE OF RECORD:

Record for maintenance, failure and corrective actions taken, shall be jointly kept by both Customer and the Contractor.

THE SERVICE PROVIDER SHALL:

The Service Engineer will visit D.G. Set site -for checking Engine 6 times in a year commencing from the date of Service Contract. The visit of the Service Engineer will be at an interval of 60 days with a permissible variance of +/- 7 days from the date of previous visit and check Alternator 1 times in a year commencing from the date of Service Contract. The total number of visits in a year under this clause will not exceed 6 visits. The charge for these services is mentioned in Annex-4.

APPLICATION:

The maintenance services performed by the service provider for the customer will be governed by the mutually agreed

- The customer is deemed to have accepted the terms and conditions in the AMC if:
- i) The customer acknowledges the receipt of the service provider's proposal of AMC and
 - ii) The service provider commences the service on return instructions from the customer.

SERVICES:

The service provider will perform the services with all reasonable skill and care in accordance with good Industry practice. When carrying out its obligations, the service provider will comply with applicable law and carry out the Service as per Cummins authorization and maintenance manual.

EXCLUSIONS:

- Any major top overhauling of the engine including the repair of cylinder head, Blocks, Fan hub, Crank shaft, fuel tank, radiator, canopy, turbocharger, engine controls, Main alternator rewinding, Exhaust pipe and Radiator cleaning
- Calibration of fuel pump and injectors.
- Repair of malfunction of damage due to accident, transportation, neglect, failure due to use of non-standard electrical power, air conditioning or parts, works due to alteration in the engine by persons other than the Service Provider/Cummins Authorized Dealer.
- Replacement/reworking of acoustic enclosure/canopy, fuel tank and piping, exhaust silencer and exhaust piping, Cooling tower / PHE and piping.
- Control panel - replacement of breaker/Power contractors, AMF controller, PLCs, PCC, Bus bar & Power Cable. Logic Check between DG Set controller and Synch panel.
- Any work related to fitment of spares that are not sourced from Cummins or through authorized dealer.
- Under this AMC, the service provider is not responsible for any engine problem due to operational flaws/negligence like non availability of fuel leading to air lock, over heating due to radiator not topped up, engine not starting due to weak battery, low lube oil pressure due to oil not topped up etc. Such problems will not be covered under the scope of this contract but will be attended on priority to secure the DG set and billed separately for parts and services and rendered Consumable like diesel will not be covered by the service provider.
