Policy Document for Award of Institution/ Non-government Scholarships and Freeships

Scholarships and freeships are awarded to students not only by our educational institution but also by government and non-government agencies.

The policy for awarding institution/ non-government scholarships and freeships is as follows

1) West Bengal Freeship Scheme (WBFS): In this scheme, under graduate students get the facility of waiving off half of their tuition fee-

i) if they are admitted through West Bengal Joint Entrance Examinations Board (WBJEEB)/ Joint Entrance Examination MAIN (JEE MAIN) counseling and their family income is less than 2.50 lakhs per annum.

ii) students get the facility of waiving off full of their tuition fee one each against number of students admitted in management quota if they are admitted through WBJEEB counseling and their family income is less than 2.50 lakhs per annum.

Purpose:

To encourage the economically weaker students to continue their study.

Procedure:

The applications are invited from the higher education department, govt. of west Bengal through the institution and then the applications are first submitted by the students in the particular web portal of Higher Education Department (www.wbhed.gov.in/wbfs) and the applications come in the institute portal of that scholarship. The institution verify the applications and forward them to the Higher Education Department, Govt. of West Bengal for approval and only those applications get the approval which had been selected by The Higher Education Department, Govt. of West Bengal. Waiving off the tuition fee of the approved candidate is from the semester mentioned by Higher Education Department till the end of their course. The name list of the approved students is published in web-portal of Higher Education department.
