Respected sir,

I feel ashamed to inform you that in our lab ~~here~~ and class, there is a guy ( [REDACTED] ) who keeps continuously taunting us girls and also passes cheap comments on us, we ridiculed him every time as because he is our batchmate. But yesterday he crossed all the ~~limits~~ limits. Now, his behaviour has become intolerable and disturbing. So, I therefore I request you kindly take any serious step against him that he loses his courage to repeat so in future.

Thanking you.
