### Student Registration

#### New Registration

Please Read Carefully The Instructions

I have read the instructions regarding online admission process, all Courses and subjects to be taught during the current academic session, and am aware of the information provided hereon in the University/College Prospectus.

I have taken all correct admission during admission procedure - both online and offline stages and I am aware that failure of which may render my application for admission cancelled by the university authority in and after declared.

I have provided the particulars of an active bank account through which (if my parents/ my guardians can pay registration fee, admission fee and other necessary fees).

I have got an active mobile number which I will use while registering myself in the University/College Admission Portal.

I am aware that the registered mobile number will be my user id and hence this will be a unique one.
