Subject: Application for leave

Respected Sir,

On 9th January, 2021 (Saturday) at around 5:50 PM, I met with an accident on the way of returning home from college. The accident occurred at the spot nearer to Trunk road SBSTC bus depot. At that moment I was suffering from severe pain on left shoulder joint and the injuries associated with knee and palm. Soon I was brought at City hospital. There, the doctor examined the X-ray plate and detected a fracture in left shoulder joint. The doctor recommended an arm sling supporting the injured arm in order to restrict the movement of the arm and also advised for checkup after 2/3 weeks. On 23rd Jan. 2021, I had my checkup and was advised to keep the injured arm in same support, restricting the movement. Due to this unfavorable circumstance, I am unable to attend the college since 13th Jan. 2021. On receiving the doctor's approval, I would resume immediately. I will be highly obliged if you kindly consider my leave for the days.
Thanking you.

Yours sincerely,

Indrajit Chand
