Approved by AICTE, PCI & Affiliated to the Maulana Abul Kalam Azad University of Technology, West Bengal (Formerly WBUT) and WBSCT & VE&SD

Report summary of upgradation program

The second part of the Pharmacy upgradation training Program in association with PCI was conducted on 3rd March, 2019 (Sunday) in presence of Director, BCRCP, Prof.(Dr.) Subrata Chakraborty. The program started at 9.00am and continued till 4 p.m. The first part of the training program was held on 28th April, 2018. It was a one day refresher course program. The speakers for the refresher course were Dr. Souvik Basak, Dr. Shyamashree SS Manna, Prof.(Dr.) Subhabrata Ray. It was a successful program with as many as 186 participants which included pharmacists, teachers and students. The program ended with a small questionnaire session after which certificates were distributed to all participants.

Report summary of upgradation program

A TWO DAY Pharmacy upgradation training Program in association with WB Pharmacy Council was conducted on 24th and 25th November, 2018. The speakers for the refresher course highlighted the role of pharmacists in society. Subject specific talks were held related to rational use of antibiotics, aspects of patient counseling, drug abuse and self-medication. It was a successful program with as many as 161 participants which included pharmacists, teachers and students. The program ended with a small questionnaire session after which certificates were distributed to all participants.

Report summary of upgradation program

A Pharmacy upgradation training Program in association with Indian Pharmaceutical Association was organized on 28th April, 2018. It was a successful program with as many as 161 participants which included pharmacists, teachers and students. The program ended with a small questionnaire session after which certificates were distributed to all participants. The whole day program enlightened the role of pharmacists in society and how they can strengthen the healthcare sector of the society. The upgradation program was unique in a way because it included participants from students, teachers and fellow pharmacists from the society.
