Report summary of teachers attending professional development programmes: 2020/2021

With the continuation of the Covid-19 pandemic, teachers continued engaging themselves in several refresher and faculty development programs. One of the additional type of programs was the participation in AICTE conduction eSIP program for imparting training to teachers regarding student induction and Universal Human Values. Several teachers who were involved in student induction enrolled in the program. Universal Human Values being an integral part presently according to AICTE guidelines, such refresher courses will help teachers in imparting guidance to students. Apart from these programs, other programs included "Design Thinking", organized by AICTE ATAL Academy, AICTE Sponsored XXXIV-QIP on "New Era in Pharmacy-Discovering the Importance of Pharmacy Profession in the Covid Pandemic Scenario" organized by Delhi Institute of Pharmaceutical Sciences & Research, New Delhi. Most of the programs were focused on training teachers about holistic aspects inclusive of curriculum and application to industry. This year as many as 13 teachers participated in several refresher courses.

**Summary Report of teachers attending
professional development programmes: 2017/2018**

This year a Faculty Induction Programme was Organized by Teaching Learning Centre (TLC) IIT Kharagpur which was attended by two faculty members Aalok Basu and Puja Mishra. The information and knowledge gathered in the program was disseminated among all faculty, many of which were helpful regarding course objective, course outcome and regarding bloom's taxonomy and its implications. As young teachers, the program was helpful for their grooming and induction.
