Industrial training

Research in a snapshot

Vision

To transform the institute into a global centre of learning through application of creativity innovation and discipline.

Mission

- To create ideal ambience for learning and all-round growth.
- To help students inherit professional ethics and leadership qualities and to be creative, agile and confederate.
- To establish professionalism, zeal for higher learning and Training & Placement as three Core values.
- To develop a symbiotic relationship between the institution, society and community for mutual betterment with a global perspective.

Program Educational Objectives

- To produce Diploma, Undergraduate and Postgraduate Pharmaceutical Technologists who would have developed a strong background knowledge in Pharmaceutical Sciences and ability to use these ideas in an environmentally sustainable fashion in their chosen fields of Profession.
- To produce Diploma, Undergraduate and Postgraduate Pharmaceutical Technologists who would demonstrate technical competence in planning and problem analysis with the help of modern tools in the fields of Pharmaceutical sciences.
- To produce Diploma, Undergraduate and Postgraduate Pharmaceutical Technologists who would attain professional competence with self-identified and ethics through life-long learning such as advanced degrees, professional registration and other professional activities.
- To produce Diploma, Undergraduate and Postgraduate Pharmaceutical Technologists who would function effectively through unambiguous communication in various pharmaceutical fields.
- To produce Diploma, Undergraduate and Postgraduate Pharmaceutical Technologists who would be able to take individual responsibility and to work as a part of a team towards the fulfilment of both individual and organizational goals.

About the Institution

Dr. B. C. Roy College of Pharmacy and Allied Health Sciences (BCRCP), Durgapur is a premier pharmacy College of Eastern India. The College was established in September 2005 and is currently approved by AICTE, PCI and affiliated to MAKAUT, WBSCT and VE & SD, Gov. W.B. BCRCP prepares qualified, proactive, multi-dimensional, pharmacy professionals ready for global challenge. Nurturing the students of D. Pharm, B. Pharm. and M. Pharm. Courses, BCRCP creates a healthy and productive ambience where students can learn and develop. Recently, in the year 2020, two laurels, NBA accreditation and NIRF (National Institutional Ranking Framework) were attached to the crown of BCRCP.

Strength of Faculty Members of the College

The faculty strength of the college now standing at 34 plus 7 faculty on PT ad-hoc basis, and additional 5 adjunct faculty, out of which 18 faculty members possessed PhD degree and most of the others had already enrolled for PhD. We maintain healthy student-faculty ratio below 20:1 against 520 sanctioned seats.

Annual activities of the Institute During Academic Year 2018-2019

- Admissions to UG first year, UG lateral and PG courses of the College were excellent during the academic year with reduction of seats at UG level from 120 to 100 as mandated Pan Indian by PCI.
- Orientation Program for the new batch of AY 2018-19 was held on 31st July 2018 and regular classes started from 1st August 2018. A three-week Induction program for the new students was organized in accordance with the guidelines of AICTE and MAKAUT. The college organized several programs for the newly admitted students, viz., introduction to different facilities of the college, allotment and introduction of students to their respective mentors, visit to neighborhood areas including NIT, local markets, Missionaries of Charity, HOPE School, hospitals, etc, Yoga & Meditation sessions, cultural activities, technical activities like quiz, debates, interactive sessions with Psychological counselor, interaction with Ex-Students, Entrepreneurship Awareness program and likewise.
- In context with the new batch of B. Pharm students, preventive measures taken by our Anti ragging committee & Squad comprising of Faculty, Staff and Students of the college have been successful in maintaining our reputation as ragging free campus since inception.

Infrastructure developments

- In terms of infrastructure developments, a newly commissioned Language Laboratory started functioning from AY 2018-19 with the introduction of the communication skill software and audio-visual aids.
- Most classrooms were equipped with Smart Board system with internet connectivity for audio-visual aided interactive teaching–learning process.
- The AJC Bose Central Library was upgraded with new custom-made Library Management software with automatic scanning facility for speeding up the book dispensing process. The library infrastructure has also been revamped with partitioning between reading room and book storage areas, new counter for book lending and permanent provision for digital library facility.
- The Pharmacy Museum was renovated and installed at the ground floor of the UG building with adequate lighting systems wherein students have actively populated the shelves with models, samples and charts indicating various vistas of the Profession of Pharmacy. The facility was inaugurated on 15th August 2018 by the Hon'ble Society Members.
- The APC Roy Seminar Hall of the College has been renovated into a soundproof veneer paneled auditorium, boosting the ability of the college to host different techno-cultural events.
- The infrastructure of Hostel Canteen and Mess was also upgraded with introduction of gas bank, roti-maker, frying machine and marble flooring.
- The college had started a Medical Unit after signing MoU with The Mission Hospital, Durgapur to provide the facility.
- After successfully getting the trade license, the college opened PRADHAN MANTRI BHARTIYA JANAUSHADHI KENDRA at the college premises as per PCI requirements which was inaugurated on 04th July 2019 by Dr. Debasis Ghosh, Dy. Medical Superintendent of The Mission Hospital, Durgapur as an extension of social responsibility of the Management towards the adjoining locality. Through that outlet, students, faculty, staff and local people can procure quality generic medicine at an affordable price that is almost one-tenth of the branded counterparts.

Events held

- In 2018-2019, the college hosted an Up-gradation Training for Registered Pharmacists in collaboration with Indian Pharmaceutical Association (Bengal Branch) on 28th April 2018, attended by 120 participants, mostly the practicing Pharmacists, and some of the present & past students and teachers at the college.
- The college had submitted the NBA Pre-qualifier on 25th September 2018 and after a cohesive effort all the stakeholders of the institute, we finally submitted the complete SAR on 7th March 2019.
- On 7th October 2018, 3rd Reunion of the College was held in the campus with 60 ex-students joining the event along with faculty and final year students. The event was a grand success, and the Alumni expressed their satisfaction with the progress of the college in all spheres and described their nostalgia with emotional reminiscences.
- On 13th October 2018, Dr. Bedadyuti Chakraborty, Associate Director, Biologics, Dr. Reddy's Laboratory, Hyderabad conducted a motivational seminar on Pharmaceutical Technology and its opportunities for the students.

BCRCPICON-2019

- A two-day International Conference BCRCPICON-2019 was organized on the topic “Key Concerns and Considerations in Pharmaceutical Sciences and Technology: South-East Asian Perspective” which was a grand success wherein a total of 776 delegates of 29 colleges from West Bengal and outside joined the conference. The inaugural session was held on 4th February at DulalMitra Memorial Auditorium and the proceedings of the second day were accommodated at BCRCP premises.
- BCRCPICON-2019 was a summit of leading academicians, scientists, pharmaceutical technologists, and industry personnel of National and International repute where they exchanged their ideas and expertise regarding the challenges of pharmaceutical world. The objective of the conference was to extend awareness of contemporary burning issues of Pharmaceutical world and to brainstorm on the various challenges regarding health care issues in South-East Asian region.
- The program was inaugurated by Honorable Vice Chancellor of MAKAUT, Prof. (Dr.) SaikatMaitra.
- The keynote address was given by internationally acclaimed academician Professor (Dr.) Tin Wui Wong, Professor, Faculty of Pharmacy, UiTMPuncakAlam Campus, Malaysia.
- Other eminent speakers for the event were Mr. Deepnath Roychowdhury, National President, Indian Drug Manufacturers' Association, Dr. Satyajit Bose, Chairman, The Mission Hospital, Durgapur, Mr. L.K. Pradhan, Head, Technical Training, Macleods Pharmaceuticals Ltd., Mumbai, Dr. Sampad Bhattacharya, Former Senior Vice-President, Sun Global Operation & Head of Global Manufacturing Science & Technology, Gujarat, Dr. V. S. V. Vadlamudi Rao, President, Commonwealth Pharmaceutical Association, Prof. (Dr.) Santanu Tripathy, Professor, Calcutta School of Tropical Medicine, Kolkata, Prof. (Dr.) Arup Mukherjee, UGC Professor, Department of Biotechnology, MAKAUT, Prof. (Dr.) Shantanu Dhara, Professor, Medical Science and Technology, Indian Institute of Technology, Kharagpur.
- Every outstanding presentation was felicitated with medals and merit certificates.

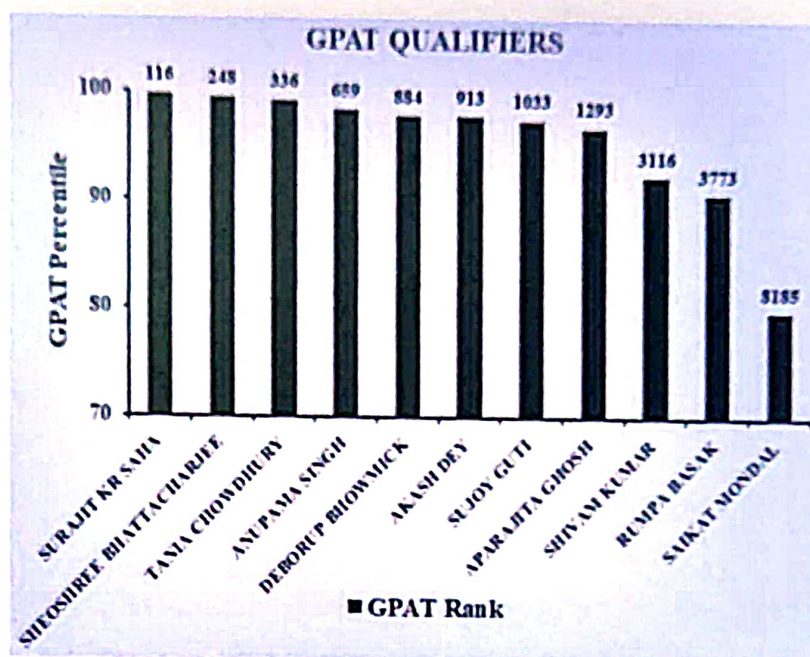

- Apart from the above, several co- and extra-curricular activities took place this Academic Year in the college such as celebration of International Mother Language Day (on 21st February 2019), Basanto Utsav (on 20th March 2019) and Technical Fest (ZEN TECH 2K19 on 29th & 30th February 2019).
- Along with technical fest, in collaboration with Durgapur Viswagandha Society (an NGO), college organized a National Seminar on “Current Research in Medicinal Plants – Global Trends and Indian Scenario” on 28th and 29th March 2019, wherein 180 participants from the college and outside attended, with 20 odd farmers attending the seminar. Several experts including Chief Conservator of Forest (WB), Mr. J. T. Mathews, IFS attended and deliberated in the seminar.
- On 6th April 2019, on the occasion of World Health Day the college had organized a voluntary blood donation camp in association with The Mission Hospital, Durgapur where 68 students and faculty donated blood.
- A lecture seminar on “Application Potential of Plant Bio-molecules and Development of Unique Tumoricidal Molecule” was also organized. Former Senior Principal Scientist, IICB, Dr. Samir Kumar Dutta deliberated on the topic in presence of 150 students and faculty members.
- Dr. Asamanjo Chattaraj, Associate Prof. & Head, Dept. of Animal Science, Kazi Nazrul University, Asansol delivered a seminar lecture on “Artificial Light at Night (ALAN) and Chronodisruption in Ovarian Physiology: Role of Melatonin, the Chronobiotic Molecule” on 02-03-2019.
- The college had signed MoUs with 5 (five) industries/hospital to provide industrial/clinical training and to collaborate in research. In this context, Director and Prof. (Dr.) Suman Roy engaged in a collaborative research work with The Mission Hospital, Durgapur.

Academic Achievements

In Academic Year 2018-2019, 11 of final year UG students had qualified for GPAT 2019 with highest All India rank 116 (Mr. Surajit Kumar Saha) and 2 students of B. Pharm 4th year have qualified for GATE 2019 for the first time with one student, Mr. Subir Chatterjee having secured AIR of 32 in the paper "Life Sciences".

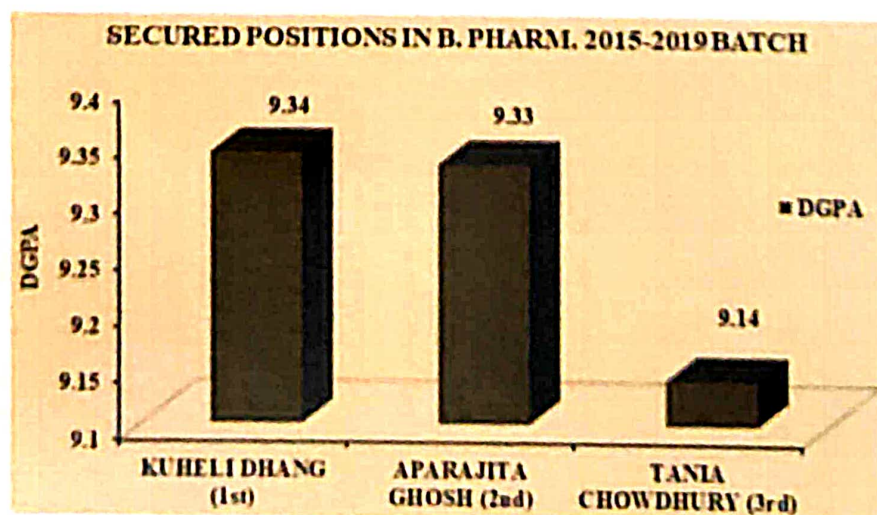

GATE Qualifiers :

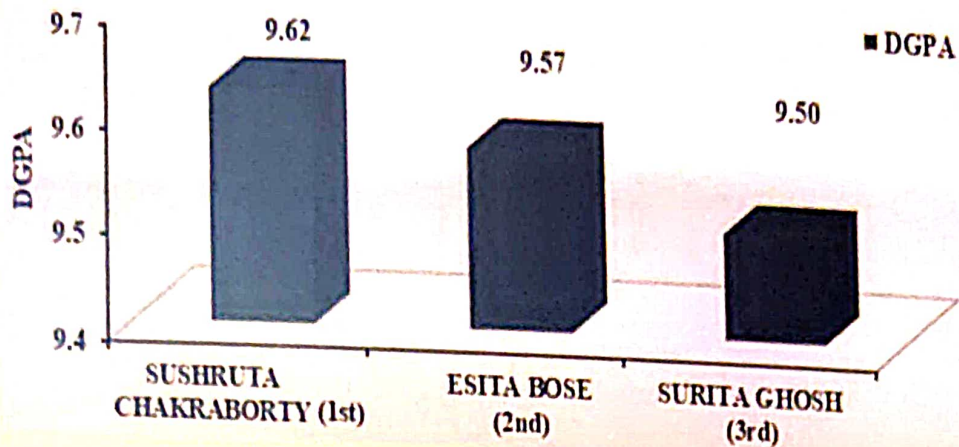

Subir Chatterjee (Rank-32), Rupam Khatua (Rank-1815)

2 students namely Ms. Anupama Banerjee of B. Pharm. Final Year and Mr. Sujoy Thakur of B. Pharm. 2nd Year had been granted prestigious scholarship of Rupees five thousand each from IPA Bengal Pharma and Healthcare Trust by competing with other colleges.

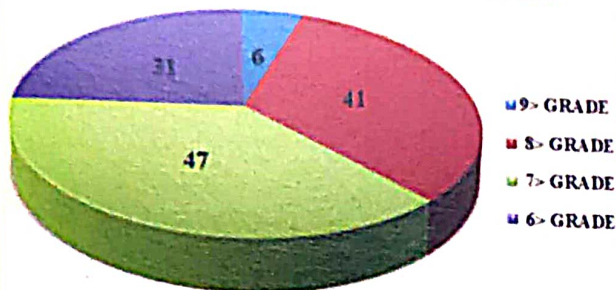

The following passed out students secured the various positions in their respective B. Pharm and M. Pharm batches for Academic Year 2018-2019 wrt DGPA.

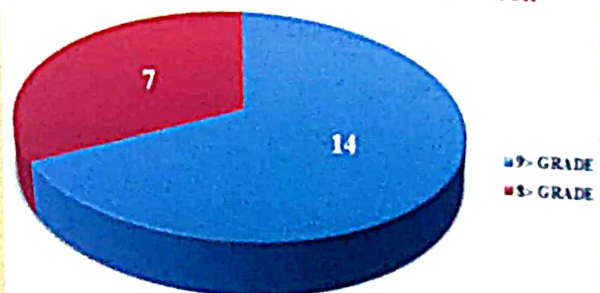

SECURED POSITIONS IN M. PHARM. 2017-2019 BATCH

DGPA ANALYSIS FOR B. PHARM. 2015-2019 BATCH

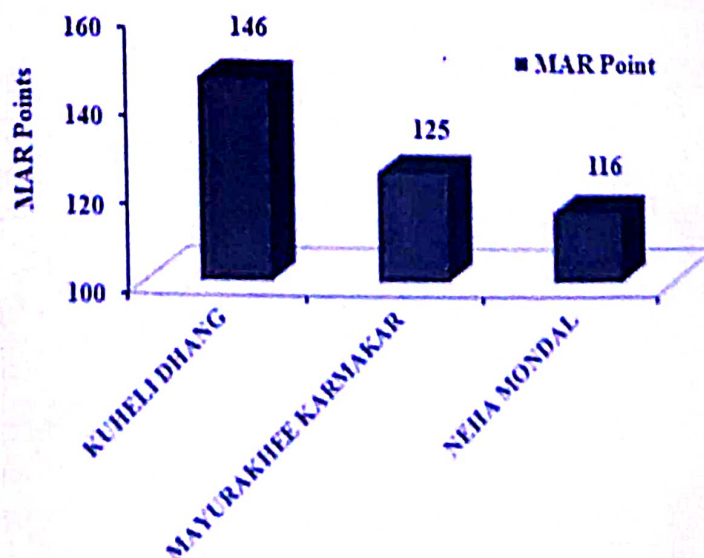

DGPA ANALYSIS FOR M. PHARM. 2017-2019 BATCH

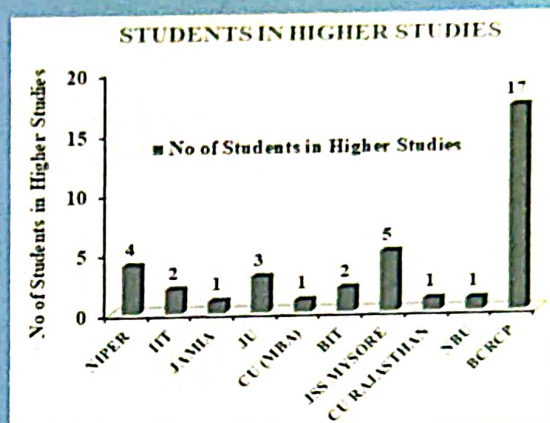

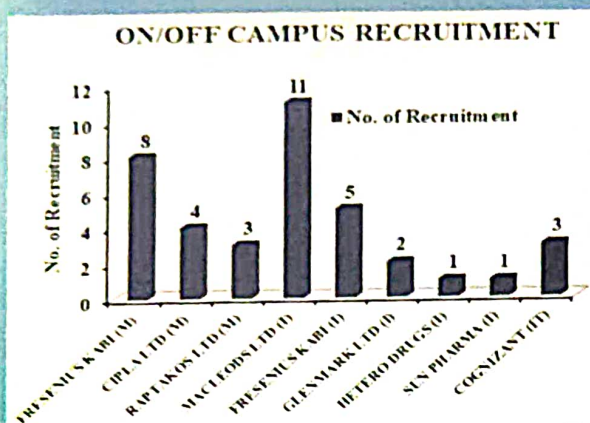

The University had introduced Mandatory additional requirement (MAR) from 2018-2019 for Undergraduate Degrees as per the AICTE mandate. Whereas the minimum qualification score was set at 25.0 points by the University. Our students had achieved an average score of 62.44 points which indicates the College ability to create opportunities for all-round development of the students within a very short periods of times. Following are the toppers of MAR score of B. Pharm 2018-2019 passed out batch.

TOPPERS IN MANDATORY ADDITIONAL REQUIREMENTS (MAR)

Placement & Training Report

- The Training and Placement cell had successfully conducted on/off campus recruitment in various pharmaceuticals sectors such as
- **ON/OFF CAMPUS RECRUITMENT : TOTAL B. PHARM-67 & M. PHARM-13 OF STUDENTS GOT PLACED, (19 different companies)**
- 49 nos of students of academic year 2018-2019 opted for higher studies in various reputed Institution or University.

INDUSTRIAL TRAINING 3rd Year:

Training and Placement Cell successfully carried out industrial training in several companies like Apple Formulations Pvt.Ltd, IPCA Laboratories Ltd, Gluconate Health Ltd, East India Pharmaceutical Works Ltd. Etc.

The college authority in coordination with the Training and Placement Cell organized one day Educational Visit on 27.03.2019 with 95 students along with 6 faculty members headed by Director, BCRGP at AMLACHATI (Medicinal Plants Garden) in Jhargram (South), Forest Department, Govt. of W.B. having around total no. of 704 species of medicinal plants.

Research in a Snapshot

- The students performed appreciably well in various, research, publications and conferences in addition to their regular curricular activities under the guidance of institute's scholar and reverent faculties. For example, Kingshuk Pati published work in International Journal of Pharmaceutical Science Review and Research where Sutrishna Bose and Tannistha Pramanik published in Asian Journal of Pharmaceutical Analysis and Medicinal Chemistry. Anupama Banerjee, Subir Chatterjee and Rupam Khatua discovered easy cheap UV-Visible spectrophotometric method to analyse the multiple drug contents in commercial cough syrup formulation which is currently under investigation in State Drugs Control and Research Laboratory, Kolkata, West Bengal for further developments. Ashik Chhetri, Suman Ghosh and Atanu Sinha Mahapatra published in house journal Pharmawave and Sujay Gutti published in Drug Delivery Science and Technology (Elsevier). Tanushree Karmakar (M. Pharm.) published in Journal of Chromatographic Science (Oxford Academic Publication).
- Apart from these activities, B. Pharm and M. Pharm students participated actively and presented their research works either in poster or oral mode in various national and international conferences such as in BCRCPiCON-2019, international conference organized by Dr. B.C. Roy College of Pharmacy & Allied Health Sciences, Durgapur, WB, India.
- To add to the accolades, our faculty Mr. Anjan De had been awarded his PhD from MAKAUT in 2018-19.

While concluding my annual report, I once again thank the August gathering of passed out students of 2018-2019 batch and their parents, Honorable chief guest and other dignitaries on & off the dias for being present over there and make the 1st Graduation day a grand success.

Thank you!

Annual Report 2019 - 2020

SECOND

GRADUATION DAY

CEREMONY

19/12/2021

In memory of Late Prof. (Dr.) Amal Kumar Bandyopadhyay

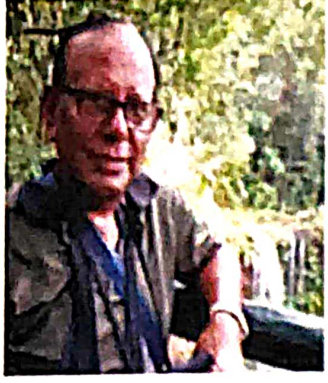

Dr. B. C. Roy College of Pharmacy and Allied Health Sciences, Durgapur remembers the association of Late Prof. (Dr.) Amal Kumar Bandyopadhyay, Honorable Chairman of the Board of Governors who was associated with our institution since its inception.

He was the Head of the Department of Pharmaceutical Technology of Jadavpur University. As an eminent member of Indian Pharmaceutical education, his contributions in the growth of Pharmacy Education are note-worthy. He was also a noted travelogue writer.

He was suffering from oral cancer since May 2020 and passed away on 16th March, 2021 at the age of 72 years at The Mission Hospital, Durgapur.

As per his last wishes, a sum of Rupees twelve lakhs was donated to the institute by Ms. Mrinmoyee Chakraborty on behalf of late Prof. (Dr.) Amal Kumar Bandyopadhyay, through the Director, Prof. (Dr.) S. Chakraborty, who is also the childhood friend, for the development of a special research lab for the benefit of students. The said donation was accepted by the General Secretary, Mr. Tarun Bhattacharya.

His support and guidance for the development and prominence of this institution will be remembered by us forever.

Ceremonial handing over of Donation Cheque for development of special Laboratory at our College in memory of Lt. Dr. Amal Bandyopadhyay, ex Chairman of BOG of Dr. B. C. Roy College of Pharmacy & AHS.

Vision

To transform the institution into a global centre of learning through application of creativity innovation and discipline.

Mission

- To Create Ideal Ambience for Learning and All-Round Growth
- To Help Students Inherent Professional Ethics and Leadership Qualities, and to be Creative, Agile and Confederate
- To Establish Professionalism, zeal for Higher Learning and Training & Placement as Three Core Values
- To Develop a Symbiotic Relationship between the Institution, Society and the Community for Mutual Betterment with a Global Perspective

Quality Policy

We are committed to impart quality "Education and Training" that satisfy the requirements of our students in the fields of "Engineering, Pharmacy and Management" and our aim is to be an institute of excellence in global terms in the field of quality technical education through continual improvement. We facilitate our faculty and support to update their knowledge and skill to match the dynamics of industrial and technological development.

Program Educational Objectives

- To produce Diploma, Under Graduate and Postgraduate Pharmaceutical Technologists who would have developed a strong background knowledge in Pharmaceutical Sciences and ability to use these ideas in an environmentally sustainable fashion in their chosen fields of profession.
- To produce Diploma, Under Graduate and Postgraduate Pharmaceutical Technologists who would demonstrate technical competence in planning and problem analysis with the help of modern tools in the fields of Pharmaceutical Sciences.
- To produce Diploma, Under Graduate and Postgraduate Pharmaceutical Technologists who would attain professional competence with self identity and ethics through life-long learning such as advanced degrees, professional registration, and other professional activities.
- To produce Diploma, Under Graduate and Postgraduate Pharmaceutical Technologists who would function effectively through unambiguous communication in various pharmaceutical fields.
- To produce Diploma, Under Graduate and Postgraduate Pharmaceutical Technologists who would be able to take individual responsibility and to work as a part of a team towards the fulfillment of both individual and organizational goals.

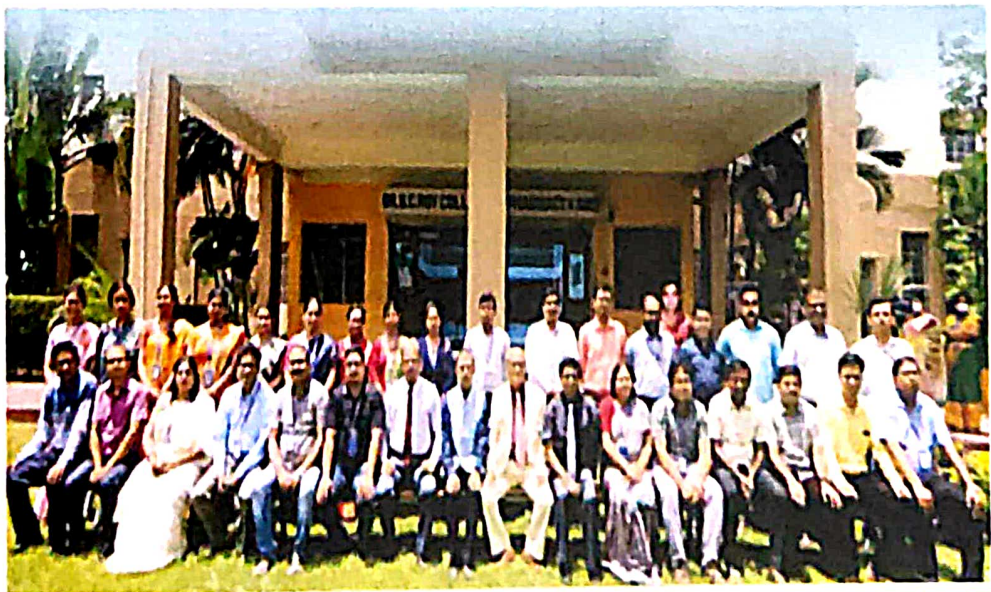

ABOUT THE INSTITUTION

Dr. B. C. Roy College of Pharmacy and Allied Health Sciences (BCRCP), Durgapur is a premier Pharmacy College of Eastern India. The College was established in September 2005 and is currently approved by AICTE, PCI and affiliated to MAKAUT, WB and WBSCT&VE&SD. BCRCP prepares qualified, proactive, multi-dimensional, pharmacy professionals ready for global challenge. Nurturing the students of D. Pharm, B. Pharm. and M. Pharm. Courses, BCRCP creates a healthy and productive ambience where students can learn and develop. Recently, in the year 2020, two laurels, NBA accreditation and Ranking in NIRF (National Institutional Ranking Framework) were attached to the crown of BCRCP. In 2021 too, the college retained its place in NIRF ranking.

STRENGTH OF FACULTY MEMBERS OF THE COLLEGE

In 2019-2020 the faculty strength of the college was standing at 32 full time and 06 part time teachers. Sixteen (16) faculty members possessed PhD degree and most of the others have already enrolled for PhD. We maintain healthy student-faculty ratio below 20:1 against 512 sanctioned seats.

ANNUAL ACTIVITIES IN THE ACADEMIC YEAR 2019-2020

- ✚ Admissions to UG first year, UG lateral and PG courses of the College were excellent (100%) during the academic year.
- ✚ Orientation Program for the new batch of AY 2019-20 was held on 1st August 2019 and regular classes started from 18th August 2019.
- ✚ A three-week Induction program for the new students was organized in accordance with the guidelines of AICTE and MAKAUT.
- ✚ The college organized several programs for the newly admitted students, viz., introduction to different facilities of the college, allotment and introduction of students to their respective mentors, visit to local markets, Missionaries of Charity, HOPE School etc., campus cleaning drives (Swacch Bharat Abhiyan), tree plantation drive, health awareness camps, yoga & meditation sessions, sports, cultural activities, technical activities like quiz, debates, interactive sessions on women's rights and psychological thoughts, interaction with ex-students, Entrepreneurship Awareness program and likewise.
- ✚ Orientation & Induction programme for new M. Pharm entrants was conducted on 16th & 17th August 2019. They were introduced to the facilities and faculty members on the same day.
- ✚ In context with the new batch of B. Pharm students, preventive measures taken by our Anti ragging committee & Squad comprising of Faculty, Staff and Students of the college have been successful in maintaining our reputation as ragging free campus since inception.
- ✚ There was an initiative to run yoga classes after college hours on Tuesdays & Thursdays and students were free to join from 3rd September 2019.

- ✚ Internal Quality Assurance Cell or IQAC room was commissioned for all repositories of NBA preparedness.
- ✚ Fresher's welcome program (Nabin Baran) was organized on 13th September 2019 with great zeal and endeavor.
- ✚ Hon'ble VC MAKAUT, WB arranged lecture session on Emerging trends in the Education delivery and Administration system on 18th September 2019 for all faculty and staff members.
- ✚ NBA experts visited the college on 24th-25th January, 2020 and conducted on-site evaluation of B. Pharm programme and the competent authority in NBA decided to approve the accreditation status of Pharm from academic year 2020-21 to 2022-23. This was a collective achievement of all faculty, staff and students of BCRCP.
- ✚ A program on cyber security and safe drive-save life by CP, ADCP was organized on 4th Feb 2020 in BCREC campus and 25 students from all the year attended the session.
- ✚ Hon'ble VC MAKAUT, WB visited our campus on 7th Feb 2020 to clarify doubts on marks uploading in the newly designed websites.
- ✚ "ZENTECH 2020" was organized on 11th & 13th February 2020 with series of entertaining programs like oral presentation, debate, rangoli, painting, quiz, photography, business event, scientific model presentation. Students participated in these programs and won lots of prizes
- ✚ Renowned Singer Srikanta Acharya was invited in the BCREC campus for the remembrance program of Late Mr. Dulal Mitra, former president of BCREC society.
- ✚ Cultural Fest Event (VEDYANTRA 2020) was collectively arranged on 13th February 2020 as an internal showcase of creative talents of both BCRP and BCRCP. On the same day, band artists were called upon to entertain students with their musical piece.

- ✦ A seminar was held in Kolkata regarding Biotechnology and its prospects on 24th February 2020 jointly organized by SHRM Biotechnologies and DST WB.
- ✦ Mr. Nandan Sengupta of Cambridge Marketing College visited our college to give early insight on our joint venture of two courses namely, Application of Digital & social media in Business and International Certification Programme on contemporary marketing and technology application on 12th March 2020.
- ✦ Online pedagogy was introduced through zoom platform during lockdown and was very beneficial to the students during the pandemic. Exams were also conducted online via Google form.
- ✦ The Institute organized psychological counseling with experts from the field of human behavior and psychology to curb stress and emotional setbacks among students during lockdown.
- ✦ During the pandemic induced lockdown, the college had conducted a series of Webinars, wherein experts from industry, hospital and academia from India and abroad deliberated on various topics of current interest including Covid-19 and its management, with a cumulative viewership on Zoom and YouTube platforms of >6000.

PLACEMENT & TRAINING REPORT

- ✚ Training and Placement Cell successfully carried out industrial training in several companies like Apollo hospitals Limited, Cipla Limited, Fresenius Kabi, Kalyani (Q.C), Macleods Pharmaceuticals, Medanta Hospitals Limited, Medreich Limited, Sarka World Hospital, Torrent Pharmaceutical Limited, Wipro Limited, Wockhardt limited etc.
- ✚ ON/OFF CAMPUS RECRUITMENT:
TOTAL B. PHARM -59 & M. PHARM-16 NOS OF STUDENTS GOT PLACED (12 different companies)
- ✚ 50 nos of students of academic year 2019-2020 have opted for higher studies both with us as well as with other reputed national level Institutions or University.

ON/OFF CAMPUS RECRUITMENT

■ No. of Recruitment

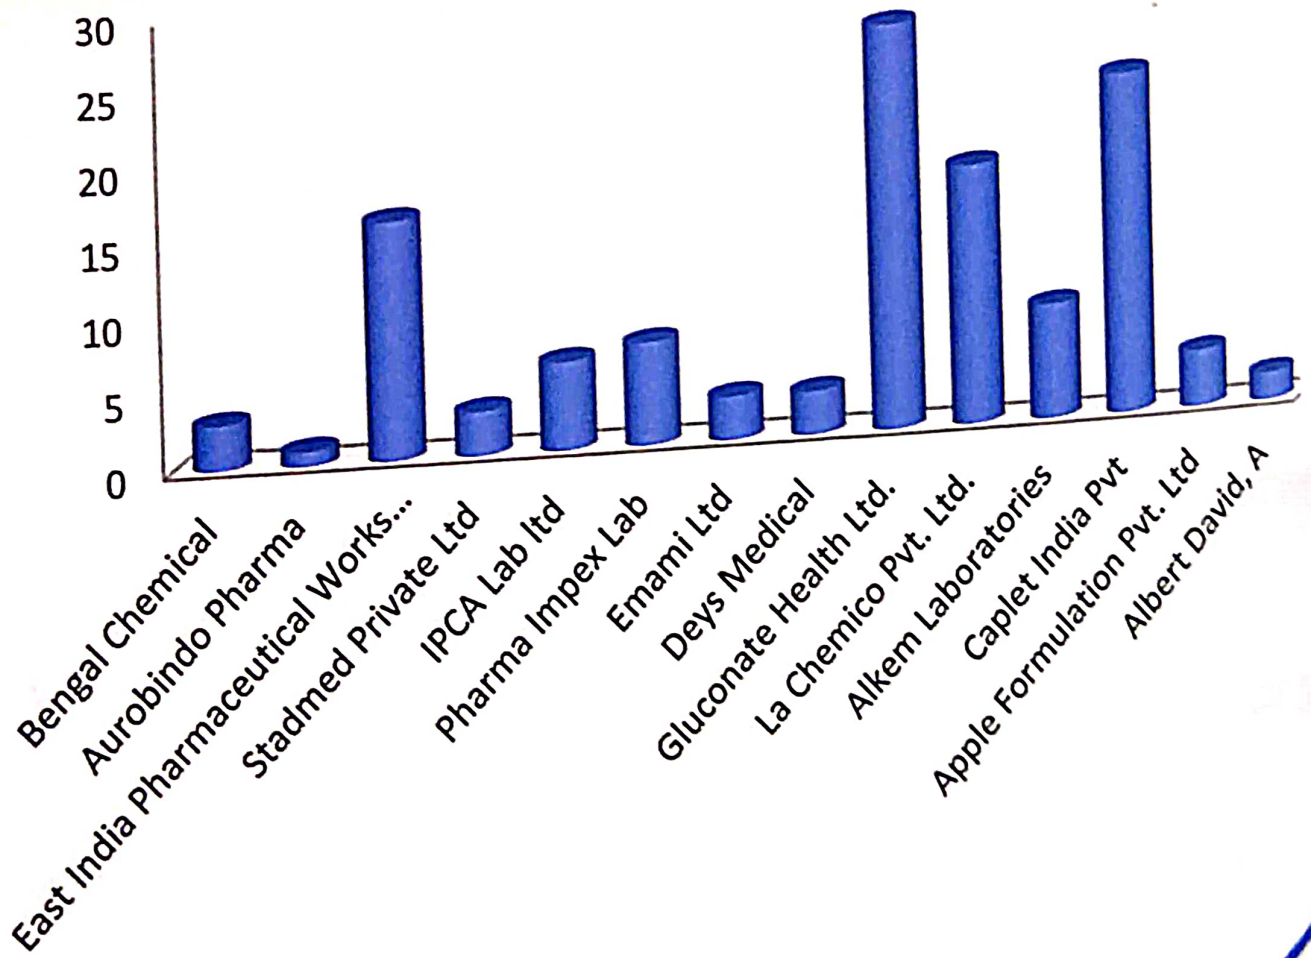

INDUSTRIAL TRAINING

- ✚ Training and Placement Cell successfully carried out industrial training in several companies like Emami Ltd., Deys Medical, Gluconate Health Ltd., La Chemico Pvt. Ltd., Alkem Laboratories, Caplet India Pvt. Ltd., Apple Formulation Pvt. Ltd, Pharma Impex Laboratories, IPCA Lab ltd., Stadmed Private Ltd., East India Pharmaceutical Works Ltd., Albert David, Aurobindo Pharma, Bengal Chemical
- ✚ 47 nos of students successfully completed hospital training in reputed hospital and medical colleges like Burdwan Medical College & Hospital, Durgapur Sub Divisional Hospital, NRS Medical College, Midnapore Medical College & Hospital, College of Medicine & JNM Hospital, Arambagh S.D Hospital, Medical College Kolkata, Suri Sadar Hospital, Birbhum.

NO. OF STUDENTS IN INDUSTRIAL TRAINING

RESEARCH IN A SNAPSHOT

- ✚ The students performed appreciably well in various, research, publications and conferences in addition to their regular curricular activities under the guidance of institute's scholar and reverent faculties. For example, **BornikaChattaraj** published work in Journal of Biomedical and Pharmaceutical Research on T-Cell therapy in Cancer treatment. **Debdutta Biswas** published a paper in International Journal of Biology, Pharmacy & Allied Sciences on natural products acting as anti-cancer (colorectal) agents. **Ritabrata Kundu, Lokesh Chandra Mahata&Arghya Bhattacharya** published their manuscript in International Journal of Pharmacy & Pharmaceutical Sciences. **Sujata Biswas &Sudipta Baur** developed novel molecules by drug design software Autodock and their paper is in review inComputer Aided Drug Design. **Sourav Khawas, SampurnaParui & Saptarshy Sarkar** published a research article namely, "Simultaneous Spectrophotometric Estimation of Rifampicin, Isoniazid & Pyrazinamide in their pharmaceutical dosage form" in Asian Journal of Research Chemistry. **Payel Laha** also published a review article on Brain targeted drug delivery system in American Journal of Pharmaceutical Research. **Ashik Chhetri & Moloy Roy** also performed structure based drug design studies, genetic algorithms and designed two novel azine andazole based anti-tumor agents. Their manuscript is in the review process in Letters in Drug Design.
- ✚ Apart from these activities, B. Pharm and M. Pharm students participated actively and presented their research works either in poster or oral mode in various national and international conferences namely, **Debarun Ghosh, Devdip Dutta, Ushmita Mukherjee, Mousumi Paul &Shresta Banerjee** participated in National Coordination Centre-Pharmacovigilance Programme by IPC, **Sayantana Ghosh** participated

in School of Health Sciences, NSHM Knowledge Campus on Research Advancement Resilience in the Pandemic Era. Additionally, Ushmita Mukherjee participated as a delegate in AICTE sponsored two days online National Conference in DadasahebBalpande College of Pharmacy.

✦ Last but not the least our students participated actively in Webinar series organized by Dr. B.C. Roy College of Pharmacy & Allied Health Sciences, Durgapur, WB, India.

While concluding my annual report, I once again thank the august gathering of students of 2020 batch and their parents, Honorable chief guest and other dignitaries on & off the dias for being present over there and make the 2nd Graduation Day a grand success.

Thank you!
