

SUMMARY REPORT: INDUCTION PROGRAM SCHEDULE FOR BPHARM 1st YEAR 1st SEMESTER, 2020

The Induction program for B. Pharm 1st Year 1st Semester batch 2020 was conducted from 4th November, 2020 to 11th November, 2020 at Dr. B.C. Roy College of Pharmacy and Allied Health sciences through online mode due to pandemic situation. The program comprise of overall introduction to induction program, distribution of mentors and virtual introduction to institute facilities, E-Cell Program, Information about localities, MAR score, MOOCS Courses, Technical Program: Talk by prominent expert from industry, Yoga and fitness session, Social activity/ Webinar on stress management, Universal Human Values, Creative Arts: visual arts or performing arts/Literary activity, Interaction and closing ceremony. It was a successful event with active participation from all first- year students. Three students were selected as promising inductee for the batch on the basis of their response in the entire induction program.

The induction program was designed to allow students to be acclimatized to the institute and its activities. It is expected that the new entrants coming from diverse thoughts, backgrounds and preparations adjust to the new environment and inculcate in them the philosophy of the institution with a sense of larger purpose. It is intended to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature.

This year due to the pandemic, the induction program was conducted through the online mode through zoom and youtube. For better participation and involvement, sessions were interactive and involvement of the students were ensured through google forms and feedback everyday at the end of each session.

The following is the detail of the online induction program for the B. Pharm batch of 2020.
