29/01/2020, 15:20 - Rituparna: Dear Student Representatives to the NBA,

On behalf of the academic administration of the college, we thank you all for presenting your opinion well before the NBA visiting team about the systems and facilties prevailing in the college. We think that you have spoken your hearts out only for the betterment of the college. The experts also expressed their satisfaction over the quality of the students and suggested some improvements that we require.

It is advisable that student community must not take recourse to any sort of bitterness amongst themselves. All has gone well. We have only one path to choose - that's the path of development. And we hope the student community will cooperate in future too.

Subject: Project Isaac at IIT Gandhinagar.

Dear Students:

More than 350 years ago, a 22-year-old student by the name of Isaac Newton at Trinity College, Cambridge, found himself confined to his home, just as so many of you discover yourself today. Trinity sent its students home amidst the Great Plague of London, which would decimate nearly a quarter of the city's population between 1665 and 1666.

It was during this year, sometimes described as his "year of wonders," that Newton developed some of his profoundest discoveries, including early calculus, as well his theories of optics and gravity. See here

Let us all take inspiration from Isaac Newton and use the forced confinement caused by Coronavirus to do wondrous things. Use this extended break wisely, to dream ambitiously or to cultivate or hone new skills in writing, painting, music, coding, creative expression, etc. We will plan to recognise and celebrate the best and most creative work products generated by students during this period when the Institute reopens.

Meanwhile, several faculty members have brainstormed to develop some exciting and fun challenges for students around leadership, coding and writing, which are increasingly essential skills critical for professional success. Get involved in these contests. We will be rolling out other similar contests and initiatives over the next several days. Watch this space for new announcements.

Leadership Challenge

Watch handpicked Ted/TedX talks on leadership and write a 50-100 word summary/insight/observation/reaction to the video and win daily lottery-based cash prizes as well as upto five Rs 5,000 prizes each for best rated commentaries at the end of the contest. Check out the contest here.

Don't Quarantine Your Cornia!

Watch a TV show episode/movie/documentary/web series that you love, and write a review of it. Win two cash prizes for the best reviews daily as well as weekly prizes for most liked reviews. Larger, special prizes at the end of the contest for the best and most popular individual reviewers. Check out the contest here.

12 Days of Code

New coding problems will be released everyday at 4:00 P.M. and will be available for 24 hours over the next 12 days. Earn some cool swag and cookies. One cash prize for the top contestant and one prize selected randomly from the top 10 contestants daily. Also win T-shirts and larger prizes at the conclusion of the contest. Check out the contest here.

Let us use the disruptions caused by Coronavirus wisely and emerge from the experience stronger and better both as individuals and as a community.

31/03/2020, 18:44 - Rituparna: Hello dear students,

We understand the difficulties you are facing. Yes, network connectivity is a big problem in our country. And many of you might have facing in this situation.

No issue if you can't join the digital class due to any reason what so ever. Some of classes which are being taken in laptops/ desktops will be uploaded in bcrcp.net in due course. As the mobile app doesn't allow recording (as being reported by several teachers) some class recordings will be missed.

No issue, if you can't fill the responses in your google form in stipulated time. Ask the concerned teacher to extend the time.

Generally we are going to extend our time slot for response collection from today onwards.

Will let you know about the changes made shortly.

24/06/2020, 14:52 - Rituparna: Good Afternoon Everyone,

I hope you all are doing well.

As per the HRD ministry, the decision of re-opening the educational institutions will be taken in July. Considering this, we have launched the *Short Term Virtual Internships* campaign through which students can now intern for 15-30 days in their favorite profiles and make the best use of their time to gain industry experience before starting with the new academic year.

*Please forward the below message to all your students for maximum participation*.

Take care,

Ashutosh - Internshala

24/06/2020, 14:52 - Rituparna: Dear Students,

*Only 2 days are remaining* for you all to participate in Internshala's *Short Term Virtual Internships* campaign through which you can now intern for 15-30 days in your favorite profiles and make the best use of your time to gain industry experience. A few highlights -

⬚ 5,000+ internship positions, all with a guaranteed stipend and a certificate

⬚ Internships up to one month in all categories like engineering, management, media, and many more

⬚ Earn a stipend as high as INR 35,000 in a month

Visit here to apply now - *https://bit.ly/Short-Term-Virtual-Internships*

Eligibility to apply - All the students (first year to final year) from all branches are eligible.

The *last date to apply is 25th June* (only 2 days left!)

Also, there is no registration fee involved at all.

09/04/2021, 10:20 - Rituparna: Procedure to submit the semester fees as mentioned  below:-

Step 1:- Go to our website www.bcrcp.ac.in

Step 2:- click on pay fees online

Step 3:- put the id & password ( id is fee card roll no.)

Then payment will display ( i.e online & offline )

If the student will pay his/her semester fee through online then the payment mode is Internet Banking & Debit Card/ Credit Card.After making payment, if the acknowledgement Receipt will be generated then the payment is successful.No need to send any documents for payment(for online) because payment status will be automatically updated.

If the student will pay his/her semester fee through offline then the challan preparation is mandatory . Mode of payment is Draft and Debit Card/Credit card.After making the challan, the fees should be deposited at the College Cash Counter (the day when the challan is made)

For making payment through NEFT, the bank details is already given in our website. After making payment the following informations are very much needed for making entry in erp.

1) Name

2) Fee Card Roll No

3) UTR NO./REF.NO

4)Bank Name

5) Amount

6) Date of Deposition
