Step 2:- click on pay fees online

Step 3:- put the id & password (id is fee card roll no.)

Then payment will display (i.e online & offline)

If the student will pay his/her semester fee through online then the payment mode is Internet Banking & Debit Card/ Credit Card. After making payment, if the acknowledgement Receipt will be generated then the payment is successful. No need to send any documents for payment (for online) because payment status will be automatically updated.

If the student will pay his/her semester fee through offline then the challan preparation is mandatory . Mode of payment is Draft and Debit Card/Credit card. After making the challan, the fees should be deposited at the College Cash Counter (the day when the challan is made)
