27/01/20, 11:47 am - saptorshidutta: Dear Student Representatives to the NBA,

On behalf of the academic administration of the college, we thank you all for presenting your opinion well before the NBA visiting team about the systems and facilities prevailing in the college. We think that you have spoken your hearts out only for the betterment of the college. The experts also expressed their satisfaction over the quality of the students and suggested some improvements that we require.

It is advisable that student community must not take recourse to any sort of bitterness amongst themselves. All has gone well. We have only one path to choose - that's the path of development. And we hope the student community will cooperate in future too.

Subject: Project Isaac at IIT Gandhinagar.

Dear Students:

More than 350 years ago, a 22-year-old student by the name of Isaac Newton at Trinity College, Cambridge, found himself confined to his home, just as so many of you discover yourself today. Trinity sent its students home amidst the Great Plague of London, which would decimate nearly a quarter of the city's population between 1665 and 1666.

It was during this year, sometimes described as his “year of wonders,” that Newton developed some of his profoundest discoveries, including early calculus, as well his theories of optics and gravity. See [here](#)

Let us all take inspiration from Isaac Newton and use the forced confinement caused by Coronavirus to do wondrous things. Use this extended break wisely, to dream ambitiously or to cultivate or hone new skills in writing, painting, music, coding, creative expression, etc. We will plan to recognise and celebrate the best and most creative work products generated by students during this period when the Institute reopens.

Meanwhile, several faculty members have brainstormed to develop some exciting and fun challenges for students around leadership, coding and writing, which are increasingly essential skills critical for professional success. Get involved in these contests. We will be rolling out other similar contests and initiatives over the next several days. Watch this space for new announcements.

Leadership Challenge

Watch handpicked Ted/TedX talks on leadership and write a 50-100 word summary/insight/observation/reaction to the video and win daily lottery-based cash prizes as well as upto five Rs 5,000 prizes each for best rated commentaries at the end of the contest. Check out the contest [here](#).

Don't Quarantine Your Cornia!

Watch a TV show episode/movie/documentary/web series that you love, and write a review of it. Win two cash prizes for the best reviews daily as well as weekly prizes for most liked reviews. Larger, special prizes at the end of the contest for the best and most popular individual reviewers. Check out the contest [here](#).

12 Days of Code

New coding problems will be released everyday at 4:00 P.M. and will be available for 24 hours over the next 12 days. Earn some cool swag and cookies. One cash prize for the top contestant and one prize selected randomly from the top 10 contestants daily. Also win T-shirts and larger prizes at the conclusion of the contest. Check out the contest [here](#).

Let us use the disruptions caused by Coronavirus wisely and emerge from the experience stronger and better both as individuals and as a community.

24/06/20, 6:53 pm - saptorshidutta: Good Afternoon Everyone,

I hope you all are doing well.

As per the HRD ministry, the decision of re-opening the educational institutions will be taken in July. Considering this, we have launched the *Short Term Virtual Internships* campaign through which students can now intern for 15-30 days in their favorite profiles and make the best use of their time to gain industry experience before starting with the new academic year.

Please forward the below message to all your students for maximum participation.

Take care,

Ashutosh - Internshala

24/06/20, 6:53 pm - saptorshidutta: Dear Students,

Only 2 days are remaining for you all to participate in Internshala's *Short Term Virtual Internships* campaign through which you can now intern for 15-30 days in your favorite profiles and make the best use of your time to gain industry experience. A few highlights -

☑ 5,000+ internship positions, all with a guaranteed stipend and a certificate

☑ Internships up to one month in all categories like engineering, management, media, and many more

☑ Earn a stipend as high as INR 35,000 in a month

Visit here to apply now - *<https://bit.ly/Short-Term-Virtual-Internships>*

Eligibility to apply - All the students (first year to final year) from all branches are eligible.

The *last date to apply is 25th June* (only 2 days left!)

Also, there is no registration fee involved at all.

16/07/20, 10:37 pm - saptorshidutta: Dear Students, We are about to start our Pre-Curricular Activities for the coming Academic Session: 2020-2021 from 21st July 2020 (Tuesday). The date of commencement of next academic year (set by the AICTE) is 17th August 2020. Until then, the college authority has decided to conduct Certificate-based Pre-Curricular activities which shall, on the one hand, help you to grasp future courses better, on the other, will give you chance to score MAR points. We shall also hold weekly quizzes and remunerate the topper of each week. The detailed plan is as follows:

☑ Gain work experience while studying in college

☑ A prestigious certificate and letter of recommendation

☑ Performance-based cash incentives, exclusive goodies and many more

Students can visit here to apply now - *<https://bit.ly/Internshala-ISP-19>*

Eligibility - Students from all streams and years (first year to final year) are eligible to apply.

The last date to register is 19th August 2020. Also, there are *no registration charges involved*.

09/08/20, 9:15 am - saptorshidutta: Good afternoon everyone,

I hope you all are doing well.

I wanted to inform you all that we have launched the *Internshala Student Partner 19 program (ISP 19)* to help all your students learn essential skills like public speaking, networking, time management & many more in just 70 days.

I request to *go through the below message and share the same with all your students*.

Take care,

Ashutosh - Internshala

17/08/20, 1:54 pm - saptorshidutta: The library is remaining open two consecutive days Wednesday and Thursday of every week in the first half from 10.00 am to 02.00 pm. Students can issue books from the library in these days. Mentors can convey this message to their mentees with my mobile number 9126737855 so that they can dial me before attending library. Library staffs should be present on above said days for lending service.

20/08/20, 9:08 pm - saptorshidutta: ONE IMPORTANT CLARIFICATION REGARDING MAR:

All mentors please kindly pay attention: the MAR points regarding each item is calculated in cumulative basis. That means the maximum allotted points for each item is for his/her entire 4 year career. Thus, if the students acquires the maximum points intermediate in his career, next time he or she will not get any further point despite of attempting further events under the same item. He or she now onwards will simply get zero (0). So one student must have to be diverse to attain MAR points to pass. Please circulate to your mentees. (Clarified from University)

20/08/20, 9:08 pm - saptorshidutta: Example: if a event has max point 20 and say Ram has achieved 20 already in first or second year, he will not get any point further in this event even if he attends many events in this item. So to acquire point, he has to touch other items too with documentation

27/08/20, 9:05 pm - saptorshidutta: The TERRE Policy Center in association with AICTE has initiated to survey the "E-Learning Readiness of Students" to assess on a national scale the preparedness of College students to avail online teaching facility. Faculty are requested to forward the following link to their mentees and direct them to fill up the form before 15th September 2020 to take part in this India-wide survey.

<https://bit.ly/3KAJPHS>

27/08/20, 9:05 pm - saptorshidutta: The form should be filled by 15th September 2020

03/09/20, 1:52 pm - saptorshidutta: *All Mentors please inform mentees that any failure in online payment of fees must not be reported to their concerned bank before 5 complete working days. Delays may happen and reportedly happened for quite a number of case. But, students have to wait patiently for the transaction to be completed for 5 working days.*

25/09/20, 1:03 pm - Somir Bhunia: *///// B. Pharm 4th Year /////*

Dear students,

I talked with previous NPTEL SPOC (Rudra sir) & got clarified that you can also enrol subjects from Biotechnology & Bioengineering disciplines.

For your clarification, I want to inform you that you have to score only 8 credits with special provision (For B. Pharm 4th year only) for achieving B. Pharm honours degree. So, you all can try for it.

You are advised to register one or two subjects (which you feel to be easier) for this session (July-Dec, 2020).

Rather than the Biotechnology & Chemistry discipline subjects, you can enrol some "Multidisciplinary" subjects like "Introduction to Research", "Ecology & Environment", "Stress Management" & "Fundamentals of Artificial Intelligence" etc.

Doing MOOCs course is mandatory for getting B. Pharm (Hons) degree from MAKAUT, if you are not participating in any MOOCs course, you will get normal B. Pharm degree. The B. Pharm (Hons) degree is a special degree & recruiters or Universities may give priority for jobs or in PhD admissions respectively.

A student who thinks himself/herself as a below average student & doesn't have ambition of doing jobs in reputed companies or Ph.D. are advised not to enrol for MOOCs course.

Don't think you will be unemployed if not achieved B. Pharm (Hons) degree. Definitely, you will get jobs, but you may get priority if achieved Honours degree.

09/04/21, 10:26 am - saptorshidutta: All mentors are requested to convey to your mentee the procedure to submit the semester fees as mentioned below:-

Step 1:- Go to our website www.bcrpc.ac.in

Step 2:- click on pay fees online

Step 3:- put the id & password (id is fee card roll no.)

Then payment will display (i.e online & offline)

If the student will pay his/her semester fee through online then the payment mode is Internet Banking & Debit Card/ Credit Card. After making payment, if the acknowledgement Receipt will be generated then the payment is successful. No need to send any documents for payment (for online) because payment status will be automatically updated.

If the student will pay his/her semester fee through offline then the challan preparation is mandatory . Mode of payment is Draft and Debit Card/Credit card. After making the challan, the fees should be deposited at the College Cash Counter (the day when the challan is made)

For making payment through NEFT, the bank details is already given in our website. After making payment the following informations are very much needed for making entry in erp.

- 1) Name
- 2) Fee Card Roll No
- 3) UTR NO./REF.NO
- 4) Bank Name
- 5) Amount
- 6) Date of Deposition

Please inform your respective mentee about the above details.

For further enquiry all mentors (only) can contact me
