Remember me ? The one who were speaking on the Ecell induction day. Presently I am the college coordinator of Ipga from our college. So basically you all must be thinking what is Ipga. It is an all India council for pharma graduates. The full form is Indian graduate pharmacy Association. Here you will get plethora of opportunities regarding pharma . You will have active placement cell ; round the year activities like research project competition and many more. You will be working with mentors and research scholars from IIT BHU ; Jamia hamdard; bits Pilani and many more. You have free gpat coaching as well. I personally worked at research project and secured 3rd prize. My mentor was an researcher from serum institute and my group members were from Jamia hamdard. I want everyone of you to enroll for this . The membership takes only 3100/- rupees once for lifetime . Plz feel free to speak. I am waiting for Positive response.
