

ANNUAL REPORT 2024–2025

(Reporting Period: 1 July 2024 – 30 June 2025)

1. FOREWORD

The academic year 2024–25 stands as a period of significant advancement and consolidation for Dr. B. C. Roy College of Pharmacy & Allied Health Sciences (BCRCP). Guided by a commitment to excellence in pharmaceutical education, research, and service, the institution demonstrated remarkable resilience, innovation, and progress across all domains.

Despite the evolving regulatory and academic landscape, the college not only maintained compliance with all statutory bodies but also advanced its quality benchmarks. The continued enthusiasm of faculty, the academic engagement of students, and the unwavering support of stakeholders played a vital role in shaping a fruitful year.

This Annual Report provides a comprehensive account of all major academic, administrative, co-curricular, research-oriented, and community welfare activities undertaken during the period 1 July 2024 to 30 June 2025.

2. EXECUTIVE SUMMARY

The year was distinguished by several milestones:

- High regulatory compliance, with successful renewal of approvals and affiliations from statutory bodies.
- Near 100% admission across undergraduate and postgraduate programs.
- Robust academic environment, including national conferences, seminars, and skill development programs.
- Significant growth in digital and physical library resources.
- Strong IQAC initiatives focusing on research, teaching-learning enhancements, and academic audit.
- Enhanced student engagement, including NSS, cultural activities, and professional development.
- Major alumni reunion event, strengthening institutional linkage and collaborative potential.
- Student excellence demonstrated through academic competitions, research presentations, and national-level examination performance.

This summary sets the tone for the detailed achievements captured in the sections that follow.

3. INSTITUTIONAL OVERVIEW

BCRCP continues to hold a prominent position in West Bengal's pharmacy education ecosystem. The year 2024–25 was marked by sustained efforts to improve academic quality, infrastructural capacity, research activities, and industry engagement.

The institutional governance model — involving the Board of Governors, Principal, Member Secretary, IQAC, statutory committees, and departmental leadership — remained central in facilitating evidence-based decisions, streamlined processes, and effective academic delivery.

4. REGULATORY COMPLIANCE & APPROVALS
