About the Conference

"Beyond Boundaries: Pioneering the Next Wave of Therapeutic Solutions" represents a bold vision for the future of healthcare, where innovation and collaboration redefine the landscape of treatment and care. As medical science advances, the need for cutting-edge solutions that transcend traditional boundaries has never been more urgent. From harnessing the power of artificial intelligence and precision medicine to exploring new frontiers in gene therapy and regenerative medicine, the next wave of therapeutic solutions promises to unlock unprecedented potential. By pushing the limits of current knowledge and technology, researchers and clinicians are opening doors to more personalized, effective, and accessible treatments. These breakthroughs offer the hope of not only improving quality of life but also providing long-term cures to previously untreatable conditions, ultimately transforming the way we approach health and healing.

About Us

Dr. B. C. Roy College of Pharmacy and Allied Health Sciences (BCRCP), established in 2005 in Durgapur, West Bengal, India is a premier institution dedicated to nurturing industry-ready pharmaceutical technologists. Ranked 94th in the Pharmacy category by the NIRF in 2024, BCRCP offers programs including D. Pharm, B. Pharm, and M. Pharm, with the B. Pharm program reaccredited by the NBA for 2023-2026 and a B++ grade accreditation from NAAC for 2022-2027. The college fosters a robust research environment with state-of-the-art laboratories, a central instrument laboratory, and a CPCSEA recognized animal house. Modern facilities include internet-enabled smart classrooms, a central library, a medicinal garden, and separate multi-gyms and hostels for boys and girls. Our dedicated faculty guide students through application-based pharmaceutical knowledge, preparing them for future challenges in the healthcare industry. BCRCP has a strong placement record, with students securing positions in leading pharmaceutical companies, focusing on making them employable and industry-ready. The college actively participates in community health initiatives, reflecting our commitment to societal well-being. Aligned with our vision to transform into a global center of learning, we are excited to host the national conference, "Beyond Boundaries: Pioneering the Next Wave of Therapeutic Solutions," where we aim to push the boundaries of pharmaceutical science for a healthier tomorrow. We warmly welcome all participants to join us in this journey of innovation and excellence.

Message from Chief Patron

"Beyond Boundaries: Pioneering the Next Wave of Therapeutic Solutions."

It's exciting to see so many passionate individuals dedicated to advancing pharmacy and patient care. We're witnessing remarkable innovations in therapeutics, from biologics to AI in drug discovery. This CME will explore these advancements and how we can develop more effective, personalized solutions. During our sessions, leading experts will share insights on emerging therapies and the evolving role of pharmacists. Your active participation is encouraged; let's collaborate and innovate for the benefit of our profession and patients.

Let's pioneer the next wave of therapeutic solutions together.

Warm regards,
Dr. Satyajit Bose,
Chairman & CEO, Mission Hospital, Durgapur
& President, Dr. B.C. Roy Society, Durgapur

Message from Chairman

Dear Esteemed Guests, Speakers, and Attendees,

Welcome to the conference, "Beyond Boundaries: Pioneering the Next Wave of Therapeutic Solutions." This event brings together leading experts, innovators, and thought leaders in healthcare and therapy to explore and share groundbreaking advancements that transcend traditional boundaries.

Over the course of this conference, we will delve into cutting-edge therapies, new methodologies, and revolutionary technologies poised to transform the healthcare landscape.

Engage in meaningful discussions, challenge existing paradigms, and foster collaborations that will pave the way for a new era in therapeutic solutions. We are excited to have you here and look forward to thought-provoking conversations, inspiring presentations, and invaluable connections. Together, we can push the limits of innovation and shape the future of patient care.

Thank you for joining us. We hope you have a productive and inspiring conference experience!

Warm regards,
Prof. Samir Kumar Samanta
