A Renowned Hub of Education , Research & Development

The Dr. B. C. Roy Group is dedicated to promoting both intellectual and emotional growth. It was founded by a group of forward-thinking entrepreneurs who sought to fulfill the vision of Bharat Ratna Dr. Bidhan Chandra Roy, who wanted to bring industrialization to India. Their goal was to create an educational institution that would produce skilled technocrats in an environment that was conducive to practical education.

Since its establishment in 2020, the Dr. B. C. Roy Group has become one of the top centers for engineering, management, pharmacy, and diploma education. The management team has worked tirelessly to ensure that the group provides the best education possible. It has also fostered a strong connection between academia and industry, leading to valuable opportunities for industrial research.

The group has received numerous accolades for its dedication to excellence in education. It has been honored with the Zee 24 Ghanta Excellence in Education awards for several consecutive years. Additionally, the group's colleges have been recognized by prominent national bodies such as the National Assessment and Accreditation Council (NAAC), the National Institutional Ranking Framework (NIRF), and the National Board of Accreditation (NBA).

Overall, the Dr. B. C. Roy Group strives to create an environment where the minds and hearts of its students can come together. It aims to produce skilled professionals who are not only academically proficient but also empathetic and compassionate.

VALUES OF CAMPUS LIFE

In nature, flowers and butterflies have a unique similarity. They have a pretty limited life but during those wonderful flitting moments, they deliver us a basket full of delight in its purest form.

In our academic life also we again have a similar experience. To pursue higher learning, we come to our campus for a limited period of time. May be for 2 years, 3 years or 4 years at max. But in our long long active service life, when we look back, the call of the green campus lures us again and again. The pride and warmth of independent living, away from home, robust friendships, tall green trees with splendid yellow and red flowers, huge collective bursts of energy in campus verdures and to cap these all, the warmth of loving young and not so young faculty members and all other supporting members of staff keep our entire rest of life illuminated.

Come! "Join and grow with us in the simply unparalleled attractive campuses of Dr. B.C. Roy Group of Institutions, Durgapur" and make it a true partner of your entire life.
