Admission Update

Dear Student Aspirants and Parents,

We understand that many of you are eagerly waiting to join our college for the upcoming academic session. At present, our admission process is temporarily on hold, as the approval from the Apex Body is in its final stages. Because of this, our name does not currently appear in the West Bengal Joint Entrance Examination Board's list of participating colleges.

Please be assured that we are working closely with the concerned authorities, and once the formal approval is received, admissions will begin immediately in line with the official guidelines.

We truly value the trust and interest you have shown in our institution, and we look forward to welcome you to our vibrant academic community very soon.

For the latest updates, please keep visiting our website.

With warm regards,

28/08/2025
